Address (Lot # & Street): _____

Description of yard/garage sale items offered (limited to 15 words):

Native Plant Community Project...established June 2016
Sponsored by Holiday Shores Garden Club
 (Located at the Silt Pond, North End of Lake on Biscay Drive)
COMMUNITY VOLUNTEERS NEEDED!!!

Plot 1 – planted June 2016

Plot 2 – planting September 2016

Plot 3 – planted August 2019 w/Cub Scouts

We need **YOU** to work with us and others as we restore this natural area at the north end of the lake. Please consider adding your name to our list of volunteers, or, simply drop by on one of the work days. We would enjoy meeting you!

Native plants are perennials. They provide a home for butterflies, bees, and beneficial insects. Once established, they require no watering and no spraying, only mulching. They provide excellent erosion control. They are colorful.

PLANTS ARE THRIVING!!!

Butterfly Weed

Blazing Star

Coneflower

Coreopsis

WORK SCHEDULE...August – October

1st Wednesday each month, 6-7pm; 3rd Saturday each month, 8-9am

Please consider a time commitment of just one hour per month.

Men, women, and children with adult supervision are welcome.

- 21 - Garden Club Meeting at Clubhouse
(Program: Bloomers Lawn and Landscaping Presentation) 7:00PM
- 23 - Board of Directors Meeting 7:30PM

Book Your 2020 Event NOW!

Do you have a special occasion coming up soon and need a space? The Clubhouse Ballroom can certainly fit your needs! It is located on the upper floor of the Clubhouse overlooking the main beach and lake. The Ballroom can accommodate 300 people and has a sizeable dance floor. We have a combination of round tables, rectangular tables and chairs that may be used for your event.

BOATING SAFETY

Legal Compliance – “All watercraft operated on Holiday Association Lakes must adhere to and comply with state and federal laws as stated in the Illinois Registration and Safety Act.”

Speed Limit – “The maximum speed of any watercraft operated on Holiday Lake shall be 55mph or as defined in the Reckless or Careless Operation section of the Holiday Shores Boating Rules. Operation of said watercraft shall be in a manner that does not create an exaggerated wake. Intentionally ‘plowing’ or ‘pushing water’ at speeds greater than no-wake, but less than those typically maintained while ‘on plane’ is not permitted.”

Watercraft/Registration – “All watercraft being operated on Holiday and Su Twan Lakes must have a current state registration decal and numbers, **one/current Holiday Shores decal**, and lot numbers affixed.”

Operating Age – The minimum age to operate watercraft on Holiday Lake is 12, providing the individual has passed a state certified boater safety class. Individuals between the ages of 12 and 18 must possess a valid boater safety card to operate watercraft, unless under the direct supervision of a member or a person over the age of 18, who has member consent.

Watercraft Limit – No member shall have more than three motorized watercraft registered to the same membership in operation at one time.

Size Limit – All watercraft being operated on Holiday Lake except pontoon boats with tubular bottoms, are limited to 22 feet in length. Pontoons are restricted to 28 feet.

Traffic Pattern – All watercraft being operated on Holiday Lake must follow a counterclockwise direction of travel, similar to that of operating a motor vehicle on the roadway.

Boating Hours – Boating on Holiday and Su Twan Lakes is permitted 24 hours a day, but watercraft are restricted to No-Wake speeds from sunset to sunrise.

Noise Level Limit – No watercraft may be operated on Holiday or Su Twan Lakes in a manner that exceeds a noise level of 75 decibels. This restriction includes inboard/outboard motors, stereos, etc.

Restricted Areas – No watercraft shall be operated in any manner except prescribed for areas marked No-Wake, Swimming Area, etc. Holiday Lake is considered No-Wake when the lake reaches 9” above full pool and 16” below full pool.

Reckless or Careless Operation – **Careless**: No watercraft shall be operated in a manner that puts any person or property in danger or at a rate of speed that prohibits the driver from stopping the craft within a safe distance. **Reckless**: No watercraft shall be operated in a manner that willfully and wantonly puts life, limb, or property of another person in danger. This restriction applies to actions such as weaving through traffic, jumping wake when visibility is obstructed, following too close to skiers, playing ‘chicken’, or passing another craft in a manner that produces a hazardous wake/wash. This restriction also applies to the misuse of water skis, wake boards, or other devices.

Water Skiing – Water skiers, wake boarders, tubers, etc. may not be towed without at least two competent persons in the tow boat, to observe the individual(s) being towed and provide assistance if distressed/injured.

Distance – Operators must keep a safe and reasonable distance between their craft and other lake users, such as swimmers, downed skiers, fishermen, etc. They must also maintain a distance of 75ft from shore when making a wake. Seventy-five-foot markers have been replaced with new, larger white/blue buoys.

Orange Flag – Operators are required to display a bright orange flag on their vessel **any time they have a skier, tuber, wake boarder, etc. in the water**. The flag must be a 12 inch by 12 inch square and affixed to the highest point of the craft, such as a ski tower or pontoon top.

Racing – Racing of any watercraft on Holiday or Su Twan Lakes is prohibited.

Power Turns – Power Turns (also referred to as 180s or 360s) are permitted as long as the following criteria are met: 1.) Craft is not unreasonably close to another craft, causing it to swerve or take evasive action to avoid a collision. 2.) Not done in a manner that causes the driver and/or passengers to be thrown from the craft. 3.) Not done in a cove or in a manner which causes a nuisance to another member.

Engine Cut-Off – All watercraft (prop-driven and PWC’s) equipped with an engine cut-off device may not be operated unless the device is properly functioning and its lanyard is securely attached to the driver.

Manager's Report *by Rob Clarkson*

We have had several Algae blooms this year and the maintenance crew has been out working to keep our water free of this nuisance. There are several factors that contribute to the type of Algae we are seeing (Filamentous). The work that has been accomplished in prior years with controlling the silt that makes it to our lake has our water clarity the best it has been in many years. Many use fertilizers on their lawns and with the abundance of rain we have encountered this year much of that fertilizer makes its way to our lake. The geese and ducks are constantly adding another source of food for the algae growth. Yard clippings and leaves add even more nitrogen and with the clearer water photosynthesis naturally occurs and algae blooms are the result. A conscious effort by all when applying fertilizers (stay 25' from water edge) or disposing of yard waste correctly (not in lake) will help a great deal.

The 75' and No-Wake buoys are in place to protect persons and properties. These are not merely suggestions and are remaining to be strictly enforced. The definition of wake is outlined in our Boating Rules and I would encourage everyone to give these rules a look over and ensure your guests know them as well. The fishing arm of our lake is always No Wake. As a reminder if you have been issued a citation relating to boating you are required to take the Holiday Shores boating test, and passing, before operating your watercraft again.

Road surface renewal is scheduled for the end of the month. If your road will be part of the plan this year you will receive a notice asking that you refrain from parking on the roadway that day. We are working repairs in a systematic order so please be patient and understand we have limited manpower to accomplish this task while taking care of all the other amenities of Holiday Shores.

Holiday Shores is a restricted title community. Present and future owners are bound by these Instruments. I would encourage everyone to read these as we have seen a higher number of Signage, Permit, and Boating violations recently. If you are new and do not know where to get a copy you can access them online at www.holidayshores.us or simply stop by the Office and we will get you a copy.

REMINDER

2020 Dues & Assessments are due
January 1st.

They can be paid in increments of:

\$236.00 January 1st

\$237.00 March 1st

\$237.00 May 1st

Late charges are assessed on the 10th of each month.

BOAT DECALS

2020 boating decals are yellow. If you can not wait to be the first on the lake with your 2020 boating decal, bring in to the office a copy of your registration and proof of \$300,000 liability insurance as soon as your Dues & Assessments are paid in full. There will be three types of decals, motorized, non-motorized and PWC.

BEACH AND SWIM SAFETY

Holiday Shores Regulations

1. Beaches located within the Association are restricted to members and guests only.
2. Glass bottles, fires, pets and food are prohibited from the beach area.
3. Persons under the age of 16 are allowed swim: if being escorted by an individual 17 years of age or older or there is a lifeguard on duty.
4. During each shift, a lifeguard is allowed a ten-minute break every hour, during that time, swimmers under 17 years of age must exit the water, if not with an adult.
5. Holishor Association Inc. is not responsible for one's personal items, nor any personal injury sustained while using Association facilities. (water, beach, grounds, etc.)

IL Dept. of Public Health Regulations

1. Beach water is not intended, nor fit, for human consumption. Do not swallow beach water.
2. Beach admittance may be denied to individuals having:
 - Contagious diseases
 - Infections (foot infections, ear infections, vomiting, diarrhea, inflamed eyes, unhealed abrasions or lacerations, skin lesions, or bandages of any kind.
3. Persons under the influence of alcohol or behaving erratically will be denied access/removed from the beach.
4. No food, drink, gum or tobacco products are permitted in the swim area.
5. The use of glass containers is strictly prohibited.
6. Children who are not toilet trained must wear tight fitting plasticized/rubber swim pants.
7. Swimming alone is discouraged.
8. Diving in shallow water is prohibited.
9. Personal conduct that endangers the safety of ones' self, or other beach patrons, is strictly prohibited.
10. Swimming is permitted between sunrise and sunset, except during the times of thunder and/or lightening. Swimmers are required to exit the water during these conditions and remain out for a minimum of 30 minutes following the last detection of thunder or lightning.
11. Pets are prohibited from the beach area.
12. Beach patrons are not permitted to feed local wildlife or entice them to stay in the area. Wildlife harassment is also strictly prohibited.
13. Measures taken to protect ones' self from the sun, such as sunblock, beach umbrellas, etc. are strongly recommended.

PLEASE READ THE IMPORTANT INFORMATION BELOW REGARDING PERSONAL FLOTATION DEVICES. IT IS IMPERATIVE THAT THE APPROPRIATE PFD IS KEPT ON EACH WATERCRAFT WHILE BOATING ON HOLIDAY LAKE AND SU TWAN LAKE. THIS INFORMATION CAN BE FOUND ON PAGES 9 AND 10 IN YOUR HOLIDAY SHORES BOATING RULES.

Personal Flotation Devices from 625 ILCS 45/4 1 No person may operate a watercraft unless at least one U.S. Coast Guard approved PFD of the following types or their equivalent is on board for each person: Type I, Type II or Type III. No person may operate a personal watercraft or specialty prop craft unless each person aboard is wearing a Type I, Type II, Type III or Type V PFD approved by the United States Coast Guard. No person may operate a watercraft 16 feet or more in length, except a canoe or kayak, unless at least one Type IV U.S. Coast Guard approved PFD or its equivalent is on board in addition to the PFD's required in paragraph A of this Section. A U.S. Coast Guard approved Type V personal flotation device may be carried in lieu of the Type I, II, III or IV personal flotation device required in this Section, if the Type V personal flotation device is approved for the activity in which it is being used. When assisting a person on water skis, aquaplane or similar device, there must be one U.S. Coast Guard approved PFD on board the watercraft for each person being assisted or towed or worn by the person being assisted or towed. No person may operate a watercraft unless each device required by this Section is: Readily accessible; in serviceable condition; of the appropriate size for the person for whom it is intended; and legibly marked with the U.S. Coast Guard approval number. Approved personal flotation devices are defined as follows:

- Type I A Type I personal flotation device is an approved device designed to turn an unconscious person in the water from a face downward position to a vertical or slightly backward position and to have more than 20 pounds of buoyancy.
- Type II A Type II personal flotation device is an approved device designed to turn an unconscious person in the water from a face downward position to a vertical or slightly backward position and to have at least 15 1/2 pounds of buoyancy.
- Type III A Type III personal flotation device is an approved device designed to keep a conscious person in a vertical or slightly backward position and to have at least 15 1/2 pounds of buoyancy.
- Type IV A Type IV personal flotation device is an approved device designed to be thrown to a person in the water and not worn. It is designed to have at least 16 1/2 pounds of buoyancy.
- Type V A Type V personal flotation device is an approved device for restricted use and is acceptable only when used in the activity for which it is approved.

No person may operate a watercraft under 26 feet in length unless a Type I, Type II, Type III, or Type V personal flotation device is being properly worn by each person under the age of 13 on board the watercraft at all times in which the watercraft is underway; however, this requirement shall not apply to persons who are below decks or in totally enclosed cabin spaces. The provisions of this subsection I shall not apply to a person operating a watercraft on private property.

Further, no person may operate a watercraft on Holiday or Su Twan lakes unless a Type I, Type II, Type III, or Type V personal flotation device is being properly worn by each person under the age of 13 on board the watercraft at all times in which the watercraft is underway.

Holiday Shores Garden CLUB NEWS

Garden Club, like many other organizations, is certainly experiencing a challenging year!! We're pleased, though, to be making what we hope can be viewed as "fairly definite" plans for our **upcoming August meeting on Monday, August 17, 7:00pm, at the clubhouse.** The program is entitled "Africa Travelogue". Patti Brown, who serves as vice-president of our club, is our speaker. She traveled with a group to Southern Africa in 2017 and has put together a power point presentation of her trip. She visited four countries – Botswana, Namibia, South Africa, and Zambia. This type of program is a departure from our usual offerings, and we expect it to be an informative and interesting presentation, as well as a nice change of pace for us. Visitors are welcome and encouraged to attend. Social distancing will be taken into account in our setup.

Patti Brown, third from left

The Flower-of-the-Year competition plant will be judged at the August meeting. This year's plant is *Cryptanthus*, a very unusual plant which is a genus of flowering plants in the Bromeliad family. The plant flowers only once during its lifetime, but almost all *Cryptanthus* have small, delicate white flowers near their leaves. This plant likes shade, warmth, and humidity and is viewed as a houseplant which can grow well indoors over the winter. If any of us is lucky enough to see anything flowering, we've been instructed to take a photo and bring it with our plant for the judging – an interesting competitive challenge for the members!!!

Cryptanthus

We're excited to report that we have scheduled a **Fall Perennial Sale on Friday, September 18, 4:00-7:00pm.** Please refer to the ad on the facing page. September is an ideal time to separate perennials, and Garden Club members will be offering a variety of plants from our own gardens for sale. Since we weren't able to conduct the Annual Plant Sale in May this year due to COVID-19, we hope this alternative sale idea will provide us with much needed funds to continue our beautification efforts in our community. Please mark your calendars for this event and consider attending and supporting your Garden Club!!

The **Native Plant Community Project** work schedule for this month is the **first Wednesday, August 5, 6:00-7:00pm** and the **third Saturday, August 15, 8:00-9:00am.** Community volunteers are needed. Please consider joining us on one of the work days and making a one-hour commitment per month to work with us and others as we restore this natural area at the north end of the lake.

August Garden Tip: Keep dead-heading the annuals for good blooming right up to frost. Now is the big harvest time for tomatoes, peppers, and hot season vegetables. Harvest in the morning or evening when it is cool for best quality.

Fall Perennial Plant Sale

(Sponsored by Holiday Shores Garden Club)

Friday, September 18, 2020

4:00 p.m. - 7:00 p.m.

Mark your calendars now!

Watch for details in the September issue!

And, on the website: www.holidayshores.us/garden-club

Holiday Shores Watercraft Test

Individuals ages sixteen and under are required to take the Holiday Shores Watercraft Test before operating a motorized watercraft on Holiday and Su Twan Lake. The test format will be open, meaning it can be printed online or given from the Holishor Office and then graded by the Holishor Office. The test will be required once unless a moving violation has occurred. If a moving violation has occurred, the violator and the member will be required to retake the test prior to operating a motorized watercraft. (*Board of Directors Meeting October 9, 2019*)

1. The direction of travel for all watercraft operated on Holiday Lake is:
 - a. Clockwise direction at all times
 - b. Counter clockwise direction at all times
 - c. Clockwise or Counterclockwise, it depends on the day of the week
 - d. Whatever direction I want, hoping others will get out of my way
2. What stickers are required to operate watercraft on Holiday Lake?
 - a. Lot Number
 - b. IDNR Registration Number
 - c. Holiday Shores Annual Decal
 - d. All of the above
3. Holishor Association decals shall be affixed:
 - a. Above the rub rail near the bow
 - b. Below the rub rail near the bow
 - c. Above the rub rail near the stern
 - d. Below the rub rail near the stern
4. Lot numbers affixed to the PWC shall be at least:
 - a. 1" in height
 - b. 2" in height
 - c. 3" in height
 - d. 4" in height
5. All motorized watercraft operated on Holiday Lake shall have in full force and affect a policy of liability insurance with minimum limits of:
 - a. \$50,000
 - b. \$100,000
 - c. \$200,000
 - d. \$300,000
6. What is the minimum age to operate a watercraft in Illinois with a Boat Safety Certificate?
 - e. 14 years old
 - f. 12 years old
 - g. 10 years old
 - h. 16 years old
7. What is the maximum number of powered watercraft each household can have in use on the water at one time without incurring a fine?
 - a. 5
 - b. 2
 - c. 4
 - d. 3
8. What time of the day can PWC's operate with a wake on Holiday Lake?
 - a. 1 hour before sunrise to 1 hour after sunset
 - b. Sunrise to Sunset
 - c. 24 hours a day
 - d. 1 hour after sunrise to 1 hour before sunset
9. When the lake level reaches 9 inches above 'full pool', the entire lake becomes "NO WAKE"
 - a. True
 - b. False
10. When the lake level reaches 16" below full pool, the entire lake becomes "NO WAKE"
 - a. True
 - b. False

Firefighter's Footnote & Medic Minute

HSFD Medic Minute -

We hope everyone had a great Fourth of July and is enjoying the summer. With the resurgence of the virus, it's more important than ever to remember safety tips: social distance, don't touch your face,

and wash your hands thoroughly and frequently. One of the main ways to prevent the spread of the virus, other than staying home, is to wear a mask. This prevents the spread of droplets (which is how the virus spreads) as you are talking, coughing or sneezing. So wear a mask whenever you are around others to help keep them safe. The long, hot days of August are here so stay cool, hydrate, wear sunscreen, and practice safe boating and swimming. The start of the new school year is coming up soon, so make sure you get the latest information from your child's teacher or school about what this may look like, how to do it safely, and what supplies you may need. Stay safe and healthy as you enjoy the rest of the summer.

HSFD Firefighter's Footnote –

Summer is going by quickly and we at HSFD have been busy. We practiced our Water Rescue Drill, did our Protocol

Review and Ambulance Familiarization, and went over our Rural Engine and Tender Operations. Coming up in August, we will review our Truck Familiarization and Pump Operations, and have a class with the helicopter company ARCH. Just to remind everyone, we will hold our annual September 11 Ceremony at sunset in the front of the firehouse by our memorial garden and steel beam from one of the twin towers. Anyone is welcome to join us.

We had to cancel our Fish Fry fundraiser this year but are going to have a BBQ on Friday, September 18 from 4pm-8pm. The Garden Club will also hold their plant sale in our building at the same time. We will sell brats, hot dogs, foot longs, hamburgers, cole slaw and potato salad. Come enjoy some good food, buy some plants, and support your local fire department. Over the past month, we went on 20 runs: 14 EMS calls, three lift assists, one fire (mutual aid for Edwardsville), one motor vehicle accident, and one call canceled en route. Did you notice our new sign in front of our building? You can now see what's going on at HSFD and learn how to become a volunteer. Stop by any Monday evening from 7-9pm or call us at 618-656-6673. You can follow us on Facebook or check out our website at www.hsfd.org. Not all heroes wear capes! Anyone who is interested can learn how to be a firefighter or EMT.

Garden Club Native Plant Community Project

(Located at the Silt Pond, North End of Lake on Biscay Drive)

Garden Club continues to seek community volunteers to assist with the Native Plant Community Project. We need **YOU** to work with us and others as we restore this natural area at the north end of the lake.

Native Plants are Perennials

After established and mulched, they require no watering and never need spraying. They provide excellent erosion control and are very colorful all season. They attract songbirds, butterflies, and pollinators....all beneficial to the environment.

Work days are the third Saturday of April through October at 8:00 a.m. until

9:00 a.m. **AND**, on the first Wednesday of the month from 6:00 p.m. until 7:00 p.m. A time commitment of just one hour per month will make a huge impact. Men, women, and children with adult supervision are welcome. Make it a family affair!!

Please consider adding your name to our list of volunteers for this project, or, simply drop by on one of the work days. We would enjoy meeting you!

Contact Information:

Board of Directors meetings are held on the second and fourth Wednesday of each month at 7:30PM in the Clubhouse Ballroom.

All Holishor members in good standing are welcome to attend. If you cannot attend, but would like to send a written correspondence to the Board, send or drop it off at the Holishor Office seven days before the meeting. This allows the Board time to research the issue before the meeting.

 - a. 35
 - b. 55
 - c. 45
 - d. 50
24. All persons on a PWC must wear a Coast Guard approved Type IV Personal Flotation Device (PFD).
 - a. True
 - b. False

God's Peace

In this day of chaos and turmoil, there is something stable. God's Peace. It is what Jesus gives to his people. If you don't have it, you can't understand it. But when you have it, it is amazing.

Here is one of the facts of the Bible. Jesus has compassion on people. He cares deeply about what affects each of them. That's why Paul says in Philippians 4:6-7 *"Do not be anxious about anything, but in everything, by prayer and petition, with thanksgiving, present your requests to God. And the peace of God, which transcends all understanding, will guard your hearts and your minds in Christ Jesus."* We are invited to talk to Jesus about all those things in our world that makes us anxious. Then, because we trust Jesus and know that he cares for us, we can relax and have peace in the middle of the troubles of life.

In John 14:27 he says, *"Peace I leave with you; my peace I give you. I do not give to you as the world gives. Do not let your hearts be troubled and do not be afraid."* NIV and later in John 16:33 he says, *"I have told you these things, so that in me you may have peace. In this world you will have trouble. But take heart! I have overcome the world."*

He's telling us that his peace is better than any peace that the world has to offer. Those who talk things over with him and trust him end up with his peace. Talk things over with him today and trust him to do what is best for you.

For further conversation about the Bible or spiritual matters, please contact Pastor Rob Lemon at Holiday Shores Baptist Church at 618.377.7729 or pastorrob@holidayshoresbaptist.org.
