Board of Director's Candidates *You may vote for up to two candidates*

Ben Kelley -1824 Port Lane

My name is Ben Kelley, I am currently serving on the board of directors in a interim position for the last two months. I have lived in Holiday Shores since 2005. I have been employed for 34 years at St. Louis Metropolitan Sewer District. I also have 41 years of experience at home renovation and working with municipal building code inspectors. I love living in this community and enjoying all it has to offer. I enjoy fishing on the lake as much as I can. I love being involved in the community and volunteering. I have been chairman of the boating committee here at Holiday Shores for over six years. I have been in Holiday Shores Ski Club since 2007 and served in many leadership positions. I am also one of the boat drivers for Holiday Shores Ski Club. I am wanting to continue to be on the Board to serve the community, and help address ideas and concerns of all residents. I do have a special interest in boating safety along with public safety in our community and I want to help keep Holiday Shores a fun, safe and desirable place to live. Although I am new to the board I have lots of experience volunteering in this great community. I would appreciate your vote so I can continue to serve the residents of Holiday Shores.

Ty Van Ryswyk - 1363 Biscay Drive

My name is Ty Van Ryswyk, and I would like to continue to serve on the Holishor Association Board of Directors. I was voted to be on the board for a 3-year term in 2021 and also served on the Board of Directors in the past during the Scott Weber Presidential era. Many of the same discussions were around then that are still around today. I would hope to shed light on some of those as they come up. I would use my past experiences on the Board to help with the new issues we face as well. I have had no certain agenda for running and that continues to be true. It is unhealthy for the Board of Directors to be ran by a group of people with the same interest. It is also unhealthy to vote on people that are there for one or two reasons/agendas and nothing else matters. I hope that my open mind and willingness to listen will continue to benefit the board and help us vote on decisions without bias. I have lived in Holiday Shores for 27 years. I have owned Hawkeye Systems LLC for 25 years. Running Holiday Shores is much like a business and I have done that successfully for years. Hopefully, those years of business ownership and management will benefit Holiday Shores and the Board of Directors. As mentioned, I have lived here for 27 years, I believe. I quit counting! I have been in good standing with the Association every year that I have lived here.

Jennifer (McClure)Halverson - 1829 Port Lane

After 22 fulfilling years in our beloved community, where my husband and I raised our two daughters, I am eager to contribute further as a member of the Board of Directors. My dedication to community involvement is evident through my service on various committees, including the Social Committee, Ski Club, and currently as President of the Safety Committee. Within these roles, I've spearheaded the implementation of new processes, organized numerous events, and dedicated countless hours to volunteer work. Additionally, I took the initiative to establish our community's first website, enhancing our digital presence and communication channels. Drawing from over 25 years of IT program management experience in large corporate environments, I bring a wealth of skills in managing multi-million dollar projects, identifying new opportunities, and resolving operational inefficiencies. I firmly believe in the power of collaboration and actively seek to listen to diverse perspectives to achieve common goals. As a board member, I am dedicated to fostering transparency, improving communication, and streamlining operations to drive the continued improvement and prosperity of our community. I am eager to roll-up my sleeves, dedicate time, and leverage my skills and experience to contribute meaningfully to our community's success.

HOLISHOR ASSOCIATION ANNUAL MEETING

**May 18, 2024
10:00 am**

**Holiday Shores Clubhouse
#1 Holiday Point Parkway
Edwardsville, IL 62025**

Manager's Report by Angie Webster

Spring is on the horizon and there is a lot going on. You will see the maintenance guys out patching potholes, checking culverts, and generally cleaning up the roads in order to prepare for the 2024 road chip and seal. We understand that there are a lot of problem areas and will do our best to get to them all. I would ask that while the crews are out working you reduce speed and be patient.

The final payment of dues & assessments was due May 1st. 2023 boat stickers expired April 30th. You must be paid in full by May 10 to attend the annual meeting on May 18th. If you are experiencing financial difficulties, please reach out to the office. We can help you with payment plan options to ease the burden.

Something that has been brought to our attention several times over the last couple of weeks is members blowing leaves into the lake. While we don't have a rule on this subject, blowing leaves into the lake is not recommended. Leaves blown into the lake rarely settle at the shoreline of origin. With winds and currents most settle in coves, causing sediment build up. Decaying leaves release nutrients which are good for soil but in excess are pollutants to the lake, acting as a fertilizer for hydrilla and algae blooms. Please consider collecting and mulching leaves spreading them on yards to return nutrients to your soil.

Over the next several weeks the clubhouse will be getting a mini facelift. As one of the focal points of our community I feel this is necessary and has been neglected too long. This includes removal of overgrowth and bushes. New plants and rock will be added. The garden club has offered their assistance and knowledge on this project which I appreciate.

I would like to remind members while using the boat ramp at the Marina to please lock the gate after launching or removing your boat. This is an important step to help us keep non-members off the lake. Keys for the gate are available in the office for \$3.

2024 DECALS

As soon as your 2024 Dues & Assessments are paid in full you can come into the office & pick up your 2024 decals.

2023 decals expire April 30, 2024.

Lot numbers and decals need to be present on ALL watercraft and slow moving vehicles.

This includes all non-motorized watercraft (kayaks, canoes, paddle-boards & paddle-boats). You must bring your current watercraft registration and proof of \$300,000 liability insurance on the watercraft to receive your motorized watercraft decal.

Non-highway Vehicle decals are \$15 annually.

The state requires driver to have a valid driver's license and proof of minimum liability insurance coverage be carried within the vehicle.

Garden Club Native Plant Community Project

(Located at the Silt Pond, North End of Lake on Biscay Drive)

Garden Club continues to seek community volunteers to assist with the Native Plant Community Project. We need **YOU** to work with us and others as we restore this natural area at the north end of the lake.

Native Plants are Perennials

After established and mulched, they require no watering and never need spraying. They provide excellent erosion control and are very colorful all season. They attract songbirds, butterflies, and pollinators....all beneficial to the environment.

Work days are the third Saturday of April through October at 8:00 a.m. until

9:00 a.m. **AND**, on the first Wednesday of the month from 6:00 p.m. until 7:00 p.m. A time commitment of just one hour per month will make a huge impact. Men, women, and children with adult supervision are welcome. Make it a family affair!!

Please consider adding your name to our list of volunteers for this project, or, simply drop by on one of the work days. We would enjoy meeting you!

The Holishor Association Board of Director's meetings are held the second & fourth Wednesday of each month at 7:30pm in the clubhouse ballroom.

*All Holishor members are welcome to attend.
If you cannot attend you may submit a written
correspondence to go to the Board. It must be received in
the Holishor office by noon Friday prior to the Board
meeting. This allows the Board time to research the issue
before the meeting.*

The Holishor Building Committee meets every 1st & 3rd Tuesday of each month at 6:30pm in the Library in the lower level of the clubhouse.

*Building permits must be turned in to the Holishor
Office before noon on the Friday before the meeting*

Application packets are available in the office
and our website www.holidayshores.us

HOLIDAY SHORES FIRE DEPARTMENT

Firefighter's Footnote

Firefighter's Footnote - You may have noticed some vehicles driving in Holiday Shores with blue lights – these are called courtesy lights. Volunteer firefighters in our community use them while on our way to our fire department in response to an emergency call. These courtesy lights are used to request a right-of-way to expedite our response in our privately owned vehicle to our firehouse/base, or occasionally directly to the scene of the emergency. If you are driving and see these lights in the car behind or approaching you, you are not required to move to the side of the road by law. However, it would be helpful if you did, so that the vehicle responding to the call can arrive more quickly to the department, and thereby more quickly to the site of the emergency. Some calls may turn out to be non-emergent but many times we are responding to a fire or medical emergency, so every second counts. Our quick response could mean the difference between a slight injury and severe disability, or between life and death. We appreciate your assistance in helping us reach the fire department more safely and quickly.

We mentioned in earlier articles that we will be holding several community involved events this coming year. Thank you to everyone who helped make our blood drive a success in March. This month, we are hosting a free Basic Life Support CPR/First Aid course on Saturday, May 11 from 9am-noon. You will learn how to perform CPR and use an AED. We will review First Aid tips and give you information to help you in multiple situations such as bee stings, choking, bleeding injuries, and many more areas. This is a great opportunity for babysitters and local employees. You never know who may need these life-saving skills someday! Walk-ins are welcome but you can also sign up in advance; just use the link provided to fill out the attendance form: <https://forms.gle/i2ZW4Jx24qaaj1d7>

Holiday Shores Fire Department will be open again this year during the Community Yard Sale on Saturday, June 1. We will sell doughnuts, foot long hot dogs, soda, water, and chips as long as they last. The restrooms will also be open to the public. In April, we went to various construction sites in our community and learned about Building Construction and Fire

Flows/Reading Smoke. We also had our hands-on Auto Extrication and Trauma Review. Next month will be our Ladders/Ropes/Venting/Tool Usage/SCBA and Basic Roof training, along with our Tender Shuttle (truck with a water tank) and Pumping Operations. We welcome new volunteers – come by any Monday evening between 7 and 9pm. Look us up on Facebook and follow us on our website www.hsfd.org. Have a great Memorial Weekend and stay safe!

ANNUAL FISH FRY May 3 4-8pm

It's that time of year again

Holiday Shores Volunteer Fire Department's annual Fish Fry and BBQ fundraiser! We will hold our Fish Fry on Friday, May 3 from 4-8pm or until the food sells out. There will be whitefish, catfish, pork steaks, brats and foot long hot dogs, along with potato salad, homemade coleslaw, dessert, and a drink included. Indoor dining and carry outs are available.

The Garden Club is also having their annual Plant Sale which will be set up in the front of the building by our 9/11 Memorial area. The Ski Club will be there as well for you to check out. Come and support our department, gather with friends, and enjoy some amazing food. What a great way to spend your Friday evening.

We hope to see you there!

Community Safety

In April, there were reports of suspicious activity within our community. Two cars with tinted windows were spotted in the same area, parked in front of a residence. Our motto, "see something, say something," was put into action by our vigilant members.

Here's what you can do if you observe something concerning:

1. Take Action: Record the license plate number and snap a photo of the car or individuals. This information is crucial for law enforcement and can deter suspicious activity.
2. Report to Authorities: Call the Madison County Sheriff at 618-692-4433 to report your concern promptly.
3. Inform Community Leaders: Reach out to your neighborhood watch captain or contact Jessica, our NW Lead at 618-972-1427, if you notice any unusual activity.
4. Notify Code Enforcement: Provide details to our Code Enforcement Officer at 618-567-6551 to ensure appropriate action is taken.
5. Utilize Resources: Request extra patrols through the Madison County App or submit a post on the Community Safety Facebook page to alert verified neighbors.

If you come across information related to a reported concern, use the Madison County App to share a tip effectively.

Let's work together to keep our community safe and secure.

Next Meeting: July 8 @ 7pm / Clubhouse

New By Law Proposal – Sale of Outlots

Tony Harris Makes a motion to approve the following By Law proposal. "Outlots in Holiday Shores were created as greenspace to allow members to have access to the lake. For this reason the sale or subdividing of outlots in Holiday Shores is prohibited effective upon passage of this Bylaw. To prevent any incidental incursion onto outlots any improvements to member owned property adjacent to an outlot said member will be required to provide a survey, at their expense, to verify the property lines. The Association Manager must verify the placement of the boundary stakes before any work is approved. The Board of Directors shall not have the authority to approve a variance or approve the sale of or subdividing of any outlots in Holiday Shores. In the event a sale becomes necessary in the future it will require an affirmative vote of a majority of the members voting at an annual meeting or special meeting."

Tony Harris Makes a motion to amend our current Trespassing rule name to Trespassing & Soliciting and to add the following language to the existing rule. "To notify nonmembers that soliciting is prohibited in Holiday Shores. Soliciting will be allowed by the families of members for schools, scouts and other non-profits for the benefit of children residing in Holiday Shores. To contact

Madison County and file trespassing charges against any nonmember violating this rule."

Jim McCann Seconds

Rule will be posted in office & website for 4 weeks and return to a Board of Director's meeting for a vote.

New By Law Proposal – Subdividing of a Tract of Land

"The Holiday Shores Board of Directors will not have the sole authority to approve the subdividing of a Tract of land in Holiday Shores. However, in order for it to be placed on a ballot at the annual meeting the following guidelines must be met. **These guidelines supersede any methods previously stated in the Community Instruments concerning the Changing or Addition of a Bylaw.**

No land designated as a "tract" of land shall be allowed to be subdivided without the owner first getting the express written permission of the Holiday Shores Board of Directors to begin the process. In order for a "Tract" to be considered and voted on by the membership the following guidelines must be met.

- The Owner of the property must be a Member in Good Standing with Holiday Shores as defined in the Community Instruments.
- The area to be subdivided must be surveyed and must include streets, gutters and lot lines clearly marked by a licensed surveyor. Signed and sealed Platts must be provided to the board according to the schedule established for board review at a bi-monthly meeting.
- All Federal, State, IDNR, County, local governing bodies and Holiday Shores requirements must be met.
- The Platt must be approved by the legal counsel representing Holiday Shores.

The request will then be added to the agenda of the next annual meeting for a vote of the members. Approval by the Board of Directors simply allows it to be placed on the agenda.

To pass it will require a 66% yes vote from the membership of the association.

The Board of Directors shall monitor the progress of the plan and have the right to revoke approval if it is determined the owner or developer is not adhering to all laws established by any legal governing body involved in the project to subdivide the tract. This Bylaw becomes effective upon passage at an annual meeting of the association."

Tony Harris Makes a motion to approve the by law proposal contingent on legal approval of the language.

Ben Kelly Seconds

All Opposed

Tony Harris The By Law proposal will be given to the lawyer to be looked at and brought back to the 4/10/24 Board of Director's meeting.

John Crotty Summarized the letter regarding the HSVFD incentive proposal.

Ski Club

The ski club requested approval for the following.

The Ski club requests permission of the Board of Directors to use the lake and property at the North end of the lake for show practice and shows between the dates of April 1st through October 31st. The practice schedule will need to be somewhat fluid to accommodate skier availability.

Ski Practice

May 1st - July 4th : Typically, Monday and Thursday 6PM till dusk (red light) Saturday 9:00-noon

July 5th- Ski Season end: Saturdays 9:00-noon

Put our ski club docks in the water from approximately April 1st -November 1st 2024.

We would also like permission to anchor the ski jump in the north end no wake area and the option to pull it out and temporary anchor for the duration of practice only .

The ski club also requests assistance from the lake patrol in limiting boat traffic at the clubhouse during the dress rehearsal practice on July 2nd from 6 pm to 8:30 pm and for the July 4th ski show from noon to 3 pm.

The Ski Club also would like to host again this year the Missouri Disabled Water Ski Association on Saturday September 7th, 2024 from 7:00am till 5:00pm.
Tony Harris Makes a motion to approve the request.

God's Promise

Psalm 91 (New Century Version)

- ¹ Those who go to God Most High for safety will be protected by the Almighty.
- ² I will say to the Lord, "You are my place of safety and protection. You are my God and I trust you."
- ³ God will save you from hidden traps and from deadly diseases.
- ⁴ He will cover you with his feathers, and under his wings you can hide. His truth will be your shield and protection.
- ⁵ You will not fear any danger by night or an arrow during the day.
- ⁶ You will not be afraid of diseases that come in the dark or sickness that strikes at noon.
- ⁷ At your side one thousand people may die, or even ten thousand right beside you, but you will not be hurt.
- ⁸ You will only watch and see the wicked punished.
- ⁹ The Lord is your protection; you have made God Most High your place of safety.
- ¹⁰ Nothing bad will happen to you; no disaster will come to your home.
- ¹¹ He has put his angels in charge of you to watch over you wherever you go.
- ¹² They will catch you in their hands so that you will not hit your foot on a rock.
- ¹³ You will walk on lions and cobras; you will step on strong lions and snakes.
- ¹⁴ The Lord says, "Whoever loves me, I will save. I will protect those who know me.
- ¹⁵ They will call to me, and I will answer them. I will be with them in trouble; I will rescue them and honor them.
- ¹⁶ I will give them a long, full life, and they will see how I can save."

This wonderful Psalm from the Bible is not an automatic promise of protection from everything bad. Rather it is a picture of what we must do. See verse 2: "I will say to the Lord... you are my God and I TRUST YOU! In times like these, we trust the One who loves us so much that He will always do the best for us. Our confidence is in a person and not in an end result.
