# Give Comfort Food Classics an Authentic Mexican Twist

## FAMILY FEATURES

If winter evenings have you stuck in a dinner rut, heat up the kitchen with family favorites everyone can look forward to. Shaking off the chill can start with a cozy blanket and comforting food that warms you from the inside out.

Soup is a wintertime staple thanks to its simplicity, and you can put a delicious spin on your next winter warmup with Mexican-inspired ingredients. Giving soup night a twist starts with Cacique Foods, one of the country's top authentic Mexican food brands, that invites friends and family to share real moments whileavoring authentic flavors.

This Smoky Chorizo and Chicken Pozole relies on the bold, hearty, spicy taste of Cacique's Pork Chorizo combined with handcrafted Homestyle Salsa. Queso Fresco's crumbly, creamy texture and milky, fresh flavor adds the perfect finishing touch, making this soup a perfect way to warm up weeknights with just the right amount of heat.

For a flavorful side that complements a variety of main courses while adding Mexican flair, consider Mexican Loaded Mashed Potatoes. This recipe is a familiar favorite with the unique twist of bacon and Pork Chorizo for a meat-infused recipe that will become a menu mainstay.

Plus, for an extra creamy texture, it calls for Cacique Crema Mexicana – an everyday table cream with a neutral, fresh-tasting flavor ideal for balancing out spice – and Oaxaca, a semisoft cheese with a mellow, buttery flavor.

## Smoky Chorizo and Chicken Pozole

Prep time: 5 minutes

Cook time: 30 minutes

Servings: 6-8

- 2 tablespoons olive oil
- 1 large white or yellow onion, finely chopped
- 1 teaspoon kosher salt, plus additional, to taste (optional)
- 1 package (9 ounces) Cacique Pork Chorizo
- 2 teaspoons smoked paprika
- 1 teaspoon dried Mexican oregano
- 1 container (16 ounces) Cacique Medium Homestyle Salsa
- 1 quart chicken stock
- 2 pounds boneless, skinless chicken thighs or breasts, trimmed of excess fat and diced
- 1 can (25 ounces) white hominy, drained and rinsed
- 1 lime, cut into wedges
- 3/4 cup crumbled Cacique Ranchero Queso Fresco
- 1/2 cup chopped cilantro

In large, heavy pot over medium heat, heat oil. Reserve 1/4 cup onion for garnish; add remaining onion to pot and season with salt. Saute until translucent, about 5 minutes.

Increase heat to medium-high; add pork chorizo and break it apart with spoon. Cook chorizo undisturbed until deeply browned and cooked through, 3-5 minutes. Add smoked paprika and oregano; cook 30 seconds, or until fragrant.

Pour in salsa and scrape up browned bits from bottom of pan. Bring to simmer 1-2 minutes, allowing it to thicken slightly then add stock and bring to simmer.

Stir in diced chicken and hominy. Decrease heat to medium and cook 8-10 minutes until chicken is cooked through. Taste and season with more salt, if necessary. Remove from heat.

Serve bowls of pozole with reserved onion, lime wedges, crumbled queso fresco and chopped cilantro.

## Mexican Loaded Mashed Potatoes

Prep time: 35 minutes

Cook time: 40 minutes

Servings: 10

- 3 pounds russet potatoes (about 9 medium potatoes), peeled and cubed
- water
- 6 bacon strips, chopped
- 1 package Cacique Pork Chorizo
- 12 ounces Cacique Crema Mexicana
- 1/2 cup butter, cubed
- 1 1/2 teaspoons onion powder

- 1 teaspoon salt
- 1 teaspoon garlic powder
- 1/2 teaspoon pepper
- 1 cup Cacique Oaxaca or Queso Quesadilla, shredded
- 1/2 cup Cacique Crema Mexicana Agria, for topping (optional)
- 3 green onions, chopped

In Dutch oven, add potatoes and cover with water. Bring to boil. Reduce heat; cook, uncovered, 10-15 minutes, or until tender.

In skillet over medium heat, cook bacon until crisp. Drain on paper towels, chop into small pieces and set aside. Remove bacon

grease from skillet and cook chorizo over medium-high heat, 6-8 minutes.

Drain potatoes; add to pan. Mash potatoes, gradually adding crema Mexicana, butter, onion powder, salt, garlic powder and pepper. Transfer to greased 13-by-9-inch baking dish; sprinkle with cheese, chorizo and bacon. Refrigerate, covered, up to 1 day.

Preheat oven to 350 F. Remove potatoes from refrigerator and let stand while oven heats. Bake, covered, about 30 minutes. Uncover; bake 10 minutes, or until heated through.

Drizzle with crema Mexicana agria and chopped green onions.

# Manager's Report by Angie Webster

2024 is off to a good start. We have started working on the road plan. The repairs to the main entrance tuck pointing and new brick caps have been completed. Clubhouse sidewalk replacement and repaired handrails have been completed. I know the handrails are a little ugly right now, but they will be getting a make-over come spring and warmer weather.

Some up incoming projects for 2024: Boat ramp on Su Twan lake, brush clean and stump removal at the North end Teacup (this has already begun). Rip rap and brush clean up on the back side of the dam by the overflow pipes and continuing our work on the north property & Joulters creek area.

Thank you to the Social Committee for their past events for the kiddos. I appreciate all the hard work that goes into these events. Another event is planned for February 25, the Chef Bananas Magic Show. See the Holiday Times for more information.

Dues and assessments have started coming into the office. The first installment was due January 1<sup>st</sup>. Late fees are assessed on the 11<sup>th</sup> of each month. Dues and Assessments must be paid in full to get boat decals. If you have special circumstances, or a financial hardship, please contact the office to make arrangements, we will work with you. Don't forget, if you pay in full by February 14<sup>th</sup> you are put in the drawing and could win your assessments of \$760 back.

There will be 2 seats on the Board of Directors to be voted on at the annual meeting in May. Being on the Board is a good way to serve your community and make it a better place for all. Applications can be downloaded on our website [www.holidayshores.us](http://www.holidayshores.us). Feel like giving some of your free time to volunteer in another way? Our committees and clubs are always in need of volunteers. We have a list of clubs and committees in the Holiday Times.

Holishor Association  
Board of Director's  
meetings are held the  
second & fourth  
Wednesday of each month  
at 7:30pm in the  
clubhouse ballroom.

All Holishor members are welcome to attend.  
If you cannot attend you may submit a written correspondence to go to the Board. It must be received in the Holishor office by noon Friday prior to the Board meeting. This allows the Board time to research the issue before the meeting.

# Love...

February and Valentine's Day and LOVE. It seems that they all go together.

The Bible is God's book of love. Consider John 3:16 in the New Testament. For God so loved the world that he gave his one and only Son, that whoever believes in him, should not perish but have eternal life. Someone has suggested that this is the greatest verse on love in the entire Bible and wrote the following as proof.

For God  
 ...THE GREATEST LOVER  
 so loved  
 ...THE GREATEST DEGREE  
 the world  
 ...THE GREATEST COMPANY  
 that he gave  
 ...THE GREATEST ACT  
 his one and only Son  
 ...THE GREATEST GIFT  
 that whoever  
 ...THE GREATEST OPPORTUNITY  
 believes  
 ...THE GREATEST SIMPLICITY  
 in Him  
 ...THE GREATEST ATTRACTION  
 should not perish  
 ...THE GREATEST PROMISE  
 but  
 ...THE GREATEST DIFFERENCE  
 have  
 ...THE GREATEST CERTAINTY  
 eternal life  
 ...THE GREATEST POSSESSION

This love from God is a personal love. God is reaching out to you with incredible love and giving to you a wonderful opportunity to avoid eternal death and destruction and to gain eternal life by simply putting your faith in his dear Son, the Lord Jesus. Will you respond to his love today?

## MEMBERS TO RUN FOR THE 2024 BOARD OF DIRECTORS

In the spirit of a *community team*, you are being asked to step up and run for a seat on the Board of Directors. Do you have an interest in being a part of the team that makes decisions affecting the manner all families live within our community?

This is a commitment not to be taken lightly, however, enhancing the chosen life-style of our members and taking the community forward will be rewarding.

Board of Director's meetings are held on the second and fourth Wednesday of each month except for November and December where they only meet the second Wednesday of each month. The BOD meetings average around two hours. Each of these meetings may be followed by an executive session averaging 1-2

hours to discuss personnel, legal or real estate. The Annual Meeting of membership is held the third Saturday in May and averages 3-4 hours. Additionally, based on your expertise or desire, you may want to augment one of our many committees. Terms of Board of Directors are three years. This year, there are openings for 2 three-year terms.

If you never attended a Board meeting, now would be a great time to do so. Have you been a part of any of the many teams of volunteers for activities here at The Shores? If so, you then have some idea of how the community functions.

Your association members will expect you to be fair and listen to all sides of whatever decision making issues are being addressed. You will be expected to make decisions that will be the best for the entire community. If you are not sure just what a Board member does, please contact one of our current Board members and they will be glad to share with you just what it is that they do for the community. Their contact information can be found on page 2 of the Holiday Times.

# Holiday Shores Snow & Ice Removal

Snow plowing and ice control begins when there is two inches of snow and more is expected or when ice begins to make the roads hazardous. Ice control material is applied to location on an "as needed" basis.

It takes 4-5 hours to plow the entire community with only two inches of snow.

Please drive with caution anytime winter precipitation are on the roads.

**DO NOT CALL THE OFFICE TO SEE IF THE SNOW PLOWS ARE OUT OR TO REPORT SNOW. PLEASE BE PATIENT.**

## ***Which roads are plowed first?***

Heavy traffic hills and main roads are plowed first.

Do not park on the road during the snow removal process. Do not push snow on to the roadway, this creates a very hazardous condition.

## ***What about driveways?***

Maintenance personnel are not authorized to plow driveways & plows will not be lifted at the entrance to each individual driveway.

Clearance of driveway entrances is the responsibility of the resident. Plows may make several passes in order to widen the roads.

## ***What about mailboxes?***

The truck will get as close to the mailboxes as possible. It is the homeowner's responsibility to keep the area in front of the mailbox cleared.

Keep mailboxes closed at all times.

## ***What about trashcans on pick up days?***

Trashcans & recycle containers must be 4' off the road.

The snowplow drivers will not get out to move your containers and will not be responsible for damage.

## **USE CAUTION!!**

# HOLIDAY SHORES FIRE DEPARTMENT

## *Firefighter's Footnote*

**Firefighter's Footnote** - We hope your 2024 is off to a good start. HSFD is busy already with our yearly training. In January, we reviewed Reports and Documentation/Communication along with our Medical Training Advanced Intervention Practicals. In February, we will practice Driver's Safety/Scenario Planning and have our annual Ice Rescue Training at our lake along with other nearby fire departments.

2023 was our busiest year so far. We responded to 243 calls with the following breakdown into 23 incident types: 148 EMS calls; 18 Assist an invalid; 9 Dispatched and cancelled en route; 8 MVA (motor vehicle accident) w/o injuries; 8 CO detector activations; 7 Building fires; 6 MVA with injuries; 6 False alarm/calls; 5 Brush/Grass fires; 5 Downed power lines; 4 No incident found on arrival; 4 Smoke detector activations-no fire; 4 Gas leaks; 2 Structure fires other than a building; and 1 each for Cooking fire confined to container, Car fire, Road/transport vehicle fire, Off-road/heavy equipment fire, Heat from wiring short circuit, Cover/standby/move-up mutual aid, Good intent call, Malfunction of alarm system, and Detector activation – no fire (9 calls).

Our number of volunteers at HSFD fluctuates each year but our present roster consists of 22 full members, 2 candidates, and 6 auxiliary personnel. We would like to have as many volunteers as possible to respond to our many calls, so consider helping your family, neighbor and community by joining the Holi-

day Shores Volunteer Fire Department. You can come by every Monday evening between 7 and 9pm to see us in person where we can answer any questions you may have. You do not need previous experience. A lot of our members had no prior training and have learned their skills at the department. Follow us on Facebook or check out our website at [www.hsfd.org](http://www.hsfd.org).

**Medic Minute** - Did you know that most smoke alarms have a lifespan of 8-10 years, while CO (carbon monoxide) detectors last between 5 and 7 years? A hard-wired smoke alarm or one with a lithium battery can last up to 10 years, at which time you should just replace the whole unit; although, it's better to replace them after eight years before any issues occur. It is recommended to replace your CO detector every 5 years because their ability to detect carbon monoxide is questionable after that. According to the National Fire Protection Association (NFPA), three of every five home fire deaths happened in homes without smoke alarms or with non-functioning ones. Carbon monoxide is equally, if not more, dangerous. The CDC reports that over 400 Americans die from CO poisoning each year, causing more than 20,000 visits to the emergency room, with more than 4,000 hospitalized. More often than not, the malfunctioning units are due to missing, disconnected, or dead batteries. Make sure to replace your batteries regularly!! Test your smoke detectors monthly and change them at least once a year – every New Year's Day as an exam-

ple. CO detector batteries need to be replaced every six months, so changing them during the start and end of daylight savings time is a great way to remember. Install smoke detectors on every floor of your house including basements, in each bedroom and outside of each bedroom area. Put CO detectors on every floor as well and near, but not inside, an attached garage. Keep CO detectors out of direct sunlight, at least five feet away from appliances, and 20 feet away from any fuel-burning heat source. Avoid high-humidity areas, extreme heat or cold, and blowing air vents, returns and even ceiling fans. Remember, smoke alarms and CO detectors are not to be ignored. Don't just think of them when you hear the low battery chirp. They save lives!

**HSFD wants you!** If you already have medical or firefighting skills, we can use you. If you don't, we can teach you all the necessary skills that you would need to respond to an emergency. We have classes, on-line learning, training, and practicals to help you achieve the level that you feel comfortable with. Volunteers on our department include students, lay-people of all professions, medical personnel (nurses, nurse practitioners), first responders (EMTs and paramedics), those with full-time jobs, and retirees. We also have an auxiliary level for those who wish to help out but do not want to be hands-on. If you want to help others, there is something available for everyone. Consider joining HSVFD – odd hours, poor pay and cool hats available!

## 5 Easy Ways to Say “I Love You”

(Family Features) If gift-giving isn't your strong suit, occasions like Valentine's Day are likely to bring on stress and worry, but procrastinating will only serve to elevate your unease.

Follow these steps to simplify your shopping, and while you may not come to love the task of finding the perfect gift, your loved one will undoubtedly appreciate your effort.

1. Browse for ideas online. Many retailers offer special promotions and gift idea sections on their websites, so finding inspiration can be as easy as visiting the sites of your loved one's favorite stores. There are also dozens of articles online to help get the ideas flowing. Searches such as “gifts for horse lovers” or “Valentine's gifts for a new boyfriend” will reveal a long list of ideas to peruse.

2. Keep it simple. Although the advertising industry works hard to convince consumers otherwise, Valentine's Day isn't really all about the bling. Sure, a pretty bauble is a welcome gift, but there are plenty of ways to show your affection that don't require spending a month's salary. A heartfelt card paired with a memento of a meaningful event or place in your relationship sends the same loving sentiment.

3. Make it a (different) date. For many couples, navigating the demands of work, kids and life make spending time together a luxury. Instead of fighting crowds at busy restaurants on the official date, celebrate your love on a day of your own choosing, when you can relax and enjoy the time together without the pressure to rush through dessert so your table can be flipped for the next waiting couple.

4. Give blooms a boost. A dozen long-stem red roses is a beautiful gesture, but unless your intended rose receiver is a strictly traditional type, try adding a little spice to your floral arrangement. Go for a bouquet in her favorite color, or have the flowers arranged in a practical vessel she can reuse to remember the occasion, such as a cocktail shaker or a watering can.

5. Go ahead, gift yourself. It may seem counter-intuitive, but finding a gift you'll enjoy may inspire an idea for your loved one. The trick is finding something you can share together, whether it's tickets to a show or his and hers mugs for enjoying your favorite brew. Just be sure the item is something your intended will share your enthusiasm for, or you may as well go buy a blender.

# 5 COZY WAYS

## TO ADD WARMTH TO COLD-WEATHER MEALS

### FAMILY FEATURES

**W**hen the winds howl and the chill of changing seasons brings a crispness to the air, one way to warm up from the inside out is with favorite foods. Filling up on comforting recipes like hearty soups and stews can be the solution you need to fight off cold temperatures.

Consider quick and easy ingredients that add a little warmth to your plate as the cravings for comfort kick in.

### Cheese

A family favorite in recipes year-round, ooey-goey cheese is a hallmark of cool-weather recipes. Consider creamy mac and cheese mixed with your preferred protein, homemade Mexican cuisine topped

with melted chile con queso or an appetizer plate with options like brie, Manchego, aged cheddar, Parmesan and more.

### Rice

If you're craving a meal that's big on flavor but short on prep time, it's hard to top the classic comfort food combo of chicken and rice. This Parmesan Chicken and Rice with Spinach and Artichoke starts with the homestyle taste of fully cooked Minute Chicken & Herb Seasoned Rice Cups with carrots, onion and garlic. The BPA-free cups offer a quick and flavorful option for an on-the-go power-up loaded with chicken, vegetables and herbs paired with hearty rice. Ready in only 1 minute, you can enjoy the flavored rice right out of the cup or prepare it as part of this 5-minute recipe on a busy weeknight.

### Thai Chicken and Rice Soup

Prep time: 2 minutes  
Cook time: 5 minutes  
Servings: 1

- 1 Minute Ready to Serve Cilantro & Lime Jasmine Rice Cup
- 1/2 cup (3 ounces) cooked rotisserie chicken, chopped
- 1/2 cup chicken broth
- 1/2 cup coconut milk
- 1 tablespoon Thai green curry paste
- 3 small shiitake mushrooms, thinly sliced
- 1 green onion, thinly sliced

Heat rice according to package directions.

In medium, microwave-safe bowl, combine chicken, broth, coconut milk, curry paste and mushrooms.

Microwave on high 3 minutes. Stir in rice and garnish with green onion.

### Parmesan Chicken and Rice with Spinach and Artichoke

Prep time: 5 minutes  
Cook time: 5 minutes  
Servings: 1

- 1 Minute Chicken & Herb Seasoned Rice Cup
- 1 tablespoon olive oil
- 1 cup spinach, stems removed
- 2 ounces chicken, cooked and shredded
- 1/4 cup canned artichokes, drained and quartered
- 1/4 cup shredded Parmesan cheese

Heat rice according to package directions.

In medium saute pan over medium heat, heat olive oil. Add spinach and saute 1 minute.

Add chicken and artichokes; saute 2 minutes, or until heated through.

Add cheese and rice; stir to combine until heated through.

### Pasta

Whether you prefer spaghetti or penne, bowtie or stuffed shells, pasta provides a simple base for delicious meals loaded with comforting ingredients. For an easy weeknight meal, just choose a type of pasta, sauce and protein to put dinner on the table in 30 minutes or less.

### Curry Paste

Available in many varieties, curry paste is a common ingredient in South Asian dishes. It typically consists of ingredients like garlic, chiles or peppers, ginger and lemon-grass. When you'd like to add some spice to your menu without bothering with takeout, this Thai Chicken and Rice Soup calls for green curry paste, which is generally spicier than red or yellow versions, but any can be substituted based on your heat tolerance. You can

take the dish up a level with lightly seasoned Minute Cilantro & Lime Jasmine Rice for zesty flavor in a BPA-free, microwaveable cup for a simple solution when life gets hectic and preparing a time-consuming meal becomes challenging.

### Cayenne

Serving up a touch of spice in a wide variety of favorite recipes can be as easy as adding ground cayenne. Made of dried cayenne peppers finely ground to a powder, it's commonly used in dishes ranging from deviled eggs and pastas to shrimp and barbecue as an easy way to add a warming kick to cold-weather meals.
