Drop off at the Holishor Office

#1 Holiday Point Parkway

Mon-Fri 8am-12pm and 1:00pm-4:30pm

FOR MORE INFORMATION CALL 618-656-7233

Manager's Report by Angie Webster

Our lake is currently 14" under full pool, another couple of inches and we will be at no wake. Hopefully we will be getting some fall rain. It has been a very dry summer and fall so far. The maintenance crew has been out multiple times this year treating blue-green algae. During our October ILAC meeting, part of the discussion was about the overabundance of algae this year and seems that other lake communities struggled with it this year as well. We are still monitoring and treating when necessary, cooler weather will keep it from coming up.

The office is once again hosting the Annual Pet Food and Supplies Drive which is in its 13th year. Donations can be brought to the office November 1st through December 15th. All items received will be donated to The Metro East Humane Society. Items accepted include: dog/cat food, pet beds, toys, small blankets, and cleaning supplies. For a complete list of items, you can visit their website at www.mehs.org/supplies.

This time of year, we start thinking about yard waste and burning. Please refrain from burning on the roadways as the binder that is used will burn and leave the roadway unprotected from the elements this winter. While burning keep in mind wind direction for safety's sake, and to be a good neighbor. Only attended fires are allowed and you are only permitted to burn yard waste. Construction materials and other waste are not permitted at any time.

Maintenance is still out fixing potholes, road edges and large patches of rough roads. This is a work in progress and will continue as weather allows. They will also start sweeping up extra rock from the oil and chipped roads very soon. Another project we are currently working on is inspecting and adding rip rap around the intake and outtake of under the road culverts. So, you may see the guys in your yard.

The dirt remaining on the north end soccer field from the north end dig out is available for members at no charge if you are loading it yourselves. You may call the office and schedule an appointment for maintenance to load. This will be done on Fridays by appointment only, from 1 to 4 p.m. and will be a $25 charge per load. Members should be advised to use caution when applying lake-bed silt, as its composition may affect vegetation and plant growth.

The Holishor Association

Board of Director's

meetings are held the
2nd & 4th Wednesdays January-October &
the 2nd Wednesday only in November &
December at 7:30 pm in clubhouse ballroom.

All Holishor members are welcome to attend.

If you cannot attend you may submit a written correspondence to go to the Board. It must be received in the Holishor office by **noon Friday prior to the Board meeting.** This allows the Board time to research the issue before the meeting.

The Holishor Building Committee

meets
the 1st Tuesday of December-March &
the 1st & 3rd Tuesdays April-November at
6:30pm in the Library in the lower level
of the clubhouse.

Building permits must be turned in to the Holishor Office before **noon on the Friday** before the meeting
Application packets are available in the office and our website **www.holidayshores.us**

NO WALK-INS ALLOWED

Holishor Association Fishing Committee

Holiday Shores Members,

November Fishing at Holiday Shores Lake

November is one of the best times of the year to go out on Holiday Shores Lake. As water temperatures begin to cool, fish become more active and anglers can take advantage of the fall transition.

Largemouth bass are a popular target during November. With no aquatic vegetation in the lake, anglers should concentrate on boat docks, shoreline cover, and areas where baitfish are present. Shad become especially important this time of year, and bass will often follow them into shallower water as they feed heavily before winter.

Crappie and bluegill can also provide good fall fishing. Crappie may begin moving toward shallower areas and can often be found around docks and other available structures. Bluegill remain active and can provide excellent action for anglers of all ages.

Catfish continue to bite throughout the fall, providing another opportunity for anglers looking for a hard-fighting fish. Holiday Shores also has newly stocked hybrid stripers, which should become an exciting addition to the lake's fishery. As these fish become established and grow, anglers can look forward to targeting them in coming years.

Help Keep Holiday Shores Lake Healthy

Fall also brings an important reminder for lake residents: please do not blow or rake leaves into the lake. Leaves that enter the water eventually break down and add nutrients and organic material to the lake. Large amounts of leaves can contribute to excess sediment and nutrient buildup, reduce water quality, and create conditions that can lead to problems such as algae growth and low oxygen levels. Instead, keep leaves on the shoreline or dispose of them properly through composting, bagging, or other approved methods. Keeping leaves out of the lake is a simple way every property owner can help protect the lake and maintain a healthy fishery for years to come.

Additionally, the Fishing Committee recently put 42 large structures into the lake for more fishing habitat for all species of fish. We are currently making a map of where we put the structures and the map will be available at the Holishor Office. Smaller structures to be placed under docks are still in the works and will be completed after the larger structures are placed in the lake .

So, grab your tackle, watch for cooling water temperatures, and take advantage of October's excellent fishing opportunities at Holiday Shores Lake.

Thank you, Holiday Shores Fishing Committee

Creel Limit

Species - Daily Limit - Size Limits
Largemouth Bass - 2 - 16" minimum length
Hybrid Striped Bass & Striped Bass - 1 - 20" minimum length
Channel Catfish - 2 - 20" minimum length (Total-All Catfish Species)
Flathead & Blue Catfish - 2 - 20" minimum length (Total-All Catfish Species)
Bluegill / Redear - 30 - No Size Limit
Crappie (All Species) - 20 - 8" minimum length (Currently no limit until 2027)
The north ponds are catch and release for largemouth bass through 12/31/2027. Effective 3/15/2026

As a request from the Board of Directors an independent survey of the fish community and other physical, biological, and chemical factors directly affecting the fish community was completed at Holiday Lake on May 28, 2025. Scan QR code to see the report.

Happy Thanksgiving

Being Thankful

Complaining seems to be the great American past time. People gripe about everything. Couples get together for an evening of fun and, the first thing you know, someone is complaining about someone or something. Employees complain about the company for which they work. Wives say: "He doesn't listen to me. He takes me for granted. He's not romantic." Husbands counter, "She doesn't understand that I need time by myself. She nags about little things. She's so emotional." Students complain about teachers: "The tests are too hard. They give too much homework." They say to their parents, "You never let me do anything." And the children chime in. "But I don't like broccoli." "I don't want to take nap."

It's gratifying to complain but it really doesn't help anything. Someone has aptly said, "Complaining does not work as a strategy" and "complaining is a complete waste of one's energy."

Of course, the antidote to complaining is gratitude. Perhaps in this season of gratitude, we can look around and say thanks to the God and people who have blessed us so much. We can thank God for the food that graces our table, the family He has given us, and for his Son, Jesus, who fixes broken people and gives them eternal life. For moms and dads who certainly were imperfect but gave us what they had. For our children and spouses. For teachers and mentors. For people who loved us when we were unlovely. For people who encouraged us on life's path.

Let this season be a challenge to review our lives and express our thankfulness.

For further conversation about the Bible or spiritual matters, please contact Pastor Rob Lemon at Holiday Shores Baptist at pastorrob@holidayshoresbaptist.org or by calling 618-377-PRAY (7729).

HOLIDAY SHORES SNOW & ICE REMOVAL

WHEN PLOWING & ICE CONTROL BEGIN

Snow plowing and ice control begins when there is two inches of snow and more is expected or when ice begins to make the roads hazardous.

Ice control material is applied to locations on an "as needed" basis.

It takes 4–5 hours to plow the entire community with only two inches of snow.

WHICH ROADS ARE PLOWED FIRST?

Heavy traffic hills and main roads are plowed first.

HILLS — FIRST PRIORITY

GATE J
- BOULEVARD DE CANNES & ST. JAMES
- BOULEVARD DE CANNES & ELM

GATE M
- HOLIDAY POINT PARKWAY & ST. JAMES
- INTERSECTION AT HOLIDAY POINT PARKWAY & BARBADOS
- INTERSECTION OF CATALINA & HOLIDAY POINT PARKWAY

GATE N
- RENO COURT

GATE O
- CARRIBEAN
- THE HILL BEFORE CARRIBEAN & BISCAY
- THE HILL ON FOUNTAINBLEU EAST OF CAPTAINS
- THE CURVE ON FOUNTAINBLEU JUST BEFORE GATE G
- THE HILL AT THE INTERSECTION OF ANCHOR & BRIGANTINE
- THE HILL ON SEXTANT BETWEEN PORT LANE & COMMODORE

PRIORITY 1 ROADS

CEDAR LANE, SHORE DR, HOLIDAY DR, ELM, BOULEVARD DE CANNES, NEWPORT BAY, HOLIDAY POINT PARKWAY, CARRIBEAN, BISCAY, WAIKIKI, CASTLE, HIGH POINT, SU TWAN, FOUNTAINBLEU, TREASURE, TAMARACH, OVERLOOK & BIRCH

WINTER ROAD SAFETY FAQ

WHAT CAUTION SHOULD I BE AWARE OF?

Do not park on the road during the snow removal process. Do not push snow on to the roadway; this creates a very hazardous condition.

WHAT ABOUT DRIVEWAYS?

Maintenance personnel are not authorized to plow driveways, and plows will not be lifted at the entrance to each individual driveway. Clearance of driveway entrances is the responsibility of the resident. Plows may make several passes in order to widen the roads.

WHAT ABOUT MAILBOXES?

The truck will get as close to the mailboxes as possible. It is the homeowner's responsibility to keep the area in front of the mailbox cleared. Keep mailboxes closed at all times.

WHAT ABOUT TRASHCANS ON PICKUP DAYS?

Trashcans & recycle containers must be 4' off the road. The snowplow drivers will not get out to move your containers and will not be responsible for damage.

Please drive with caution anytime winter precipitation is on the roads.

USE CAUTION!!

When maintenance is out on the roads, stay a safe distance behind trucks.

If you cannot see their mirrors, the drivers cannot see you.

PLEASE BE PATIENT AND COURTEOUS

Social Committee November 2026

Join Us!

Holiday Shores Social Committee

IS LOOKING FOR VOLUNTEERS

We are entering our favorite holiday season and adding new things for next year. Now is the PERFECT time to join your Social Committee!
You can volunteer to plan (must attend meetings regularly), help set up or break down an event, help at the event, or really any way that works best for you.
Meetings are the third Tuesday of every month in the Ballroom at the Clubhouse. We start at 6 pm. Join us!

Check out our Facebook page for more information and upcoming dates

Holishor Association Board of Director's Minutes

September 9, 2026

Call to Order
John Crotty called the meeting to order at 7:32 p.m.
- **Board Members in Attendance:** Jennifer Halverson, John Crotty, Ben Kelley, Tony Harris, Jim McCann, Ty Van Ryswyk
- **Association Office Present:** Angie Webster, Karla Suttles
- **Members Present:** 2
- **Non-members in Attendance:** 0
- **Board Members Excused:** John Kline

Pledge of Allegiance recited.

Approval of Minutes
Jennifer Halverson *motioned* to approve the August 12, 2026, meeting minutes with noted changes, **Jim McCann** seconded, all in favor, motion passed.

Transfers of Property
There were 8 transfers of property, 7 of which included an initiation fee. Membership is 1266.

Bills & Salaries
Tony Harris *motioned* to approve the bills & salaries, **Ben Kelley** seconded, all in favor, motion passed.

Treasurer's Report
Profit & Loss Summary: No questions.
Treasurer report: No questions.

Manager's Report & Code Enforcement Report
Angie Webster read the manager's report (which can be found in full in the Holiday Times).
John Crotty summarized the code enforcement report and noted 20 citations written for issues with boat stickers, property maintenance, and building permit violations.

Old Business
CB&R, Part 3 – Rules, Membership, Containers – Proposed rule update relocates the storage container provision from the Building Rules to the CB&R to improve clarity and enforcement. The revision clarifies the definition of a container and that they are permitted for temporary use regardless of purpose, establishes a 90-day limit, and replaces the variance requirement with notification to the office for longer durations. A motion and second were made on July 22, 2026. The proposal has completed the required four-week posting period was presented for final approval. All in favor, motion passed. The rule will be effective November 8, 2026.

New Business: None

Correspondence: None

Action Summary
New: None
Old: Angie to have the gate post checked at the marina and the cable adjusted. Angie to address the voicemail message on Lake Patrol phone. **Replacement of the phone will be tabled until 2027 once staffing has been determined.** Su Twan Boat Ramp – **Survey to be obtained to confirm property lines.** Obtain bids for new pavilions. Weight point check now that water level is at full pool. Obtain bids for silt removal at pond and basin. Sign is in north property. Rip rap on Su Twan has started and should be complete by end of week.

Open Forum
The following items were discussed: **Ben Kelley**: Requested that the tall weeds along Fountainbleu be mowed to improve visibility when passing oncoming vehicles. **Angie Webster**: Confirmed that weeds and tree trimming was scheduled for this week.

Adjournment
Motioned to adjourn was made by **Tony Harris, Jim McCann** seconded, all in favor at 7:57 p.m.
Submitted By: Jennifer Halverson, Holishor Board of Directors Secretary

September 23, 2026

Call to Order
John Crotty called the meeting to order at 7:33 p.m.
- **Board Members in Attendance:** Jennifer Halverson, John Crotty, Ben Kelley, Jim McCann, John Kline
- **Association Office Present:** Angie Webster, Karla Suttles
- **Members Present:** 2
- **Non-members in Attendance:** 0
- **Board Members Excused:** Ty Van Ryswyk, Tony Harris

Pledge of Allegiance recited.

Approval of Minutes
Jennifer Halverson *motioned* to approve the September 9, 2026, meeting minutes with noted changes, **Jim McCann** seconded, all in favor, motion passed.

Transfers of Property
There were 3 transfers of property, all of which included an initiation fee. Membership is 1267.

Old Business: None

New Business
Members have requested use of the dirt on the north property. Ben Kelley: Agreed that if members would like the dirt, that we should allow them to take it and if they need assistance then we can charge. Angie Webster: Agreed with the recommendation and will come up with a pricing model should the member need assistance. Jim McCann: Members should be advised to use caution when applying lake-bed silt, as its composition may affect vegetation and plant growth.
Correspondence: None

Action Summary
New: Angie to update the October Manager's Report to include information regarding the availability and use of lake-bed dirt/silt, develop a proposed pricing model, and include an appropriate warning regarding its use.
Old: Tree trimming on Fountainbleu / Sextant. Angie to have the gate post checked at the marina and the cable adjusted. Su Twan Boat Ramp – Prior bid increased; obtaining new bids and a survey due to a member property dispute. Survey bid requests have been unresponsive; additional bids will be pursued. Waypoint check now that water level is at full pool. Obtain bids for silt removal at pond and basin.

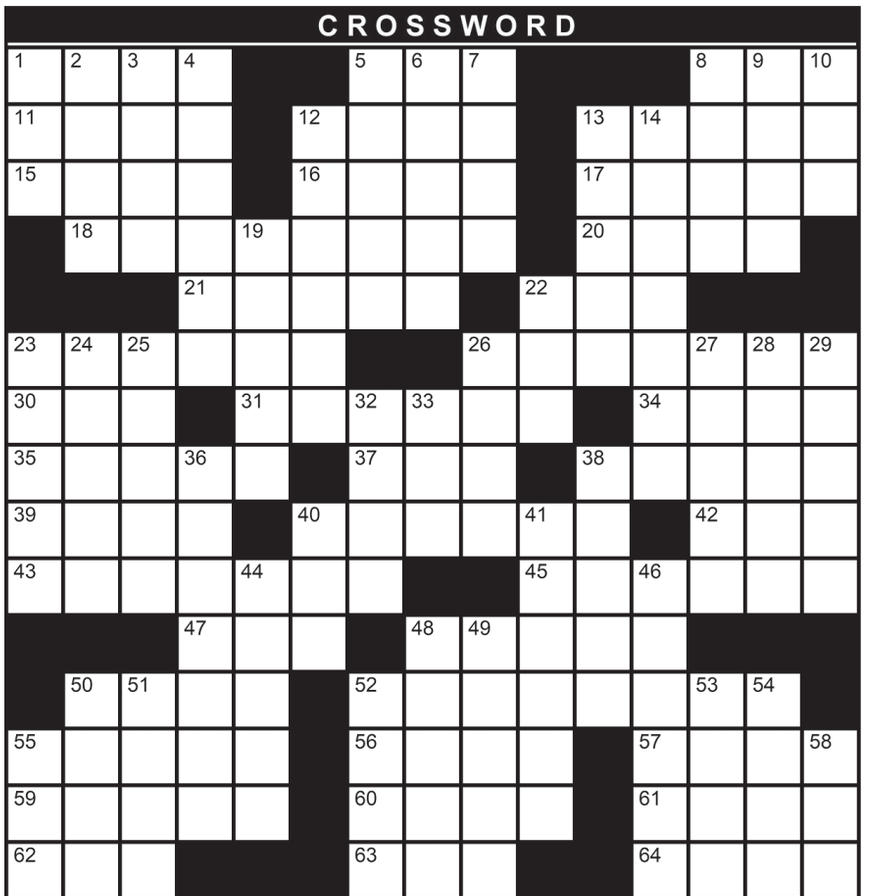

Open Forum
The following items were discussed:
Jennifer Halverson: Noted that a proposed bylaw change will be ready for the next meeting based on the Board's recommended changes to the appeals committee process. **John Crotty:** Building Committee is down to the final two pages of the building rule revisions.

Adjournment
Motioned to adjourn was made by **Ben Kelley, John Kline** seconded, all in favor at 7:42 p.m.
Submitted By: Jennifer Halverson, Holishor Board of Directors Secretary

Firefighter's Footnote -

We hope everyone had a safe and Happy Halloween and remembered to push your clocks back one hour on the night of the 31st. It is also a great time to change your batteries in your smoke alarms and CO detectors. Cold weather and falling leaves are here, and Thanksgiving is just around the corner. Continue to watch out for kids going to and from the bus stops, wear layers and weather appropriate clothing, and be careful burning leaves. Have your furnace checked, and your fireplace and flue cleaned. Make sure to extinguish all candles before leaving or going to bed. Be extra careful when using deep fryers to cook your turkeys as burns can occur and fires can start. We are participating in the Veterans Day Parade on Wednesday, November 11 starting at 3pm. Hope to see you there!

HSFD is hosting a blood drive from Impact Life on Saturday, November 7 from 8-11am. You can sign up online or just show up. Help save a life!

This month we will review our Emergency Management Services (Region IV), go over our Advanced Medical-Pharmacology- Trauma skills, and check out an ambulance. We responded to 18 calls last month. Thank you to everyone who came to our Open House in October where you could see what we do and maybe think about becoming a member of our team. We have multiple levels of membership from helping out around the department, to manning the radio, going on medical calls, and becoming a firefighter. Stop by any Monday evening from 7-9pm and see us in person. Check out our website at www.hsfd.org and follow us on Facebook. Have a very safe and Happy Thanksgiving!

KEEP FALL LEAVES OUT OF HOLIDAY LAKE

Simple seasonal habits that help protect water quality.

Beautiful fall color is part of life at Holiday Shores, but leaves and yard waste do not belong in the lake or along the shoreline. As leaves break down, they release nutrients that can contribute to murky water and unwanted algae growth.

WHY IT MATTERS

Leaves, grass clippings and other organic debris add phosphorus and nitrogen to the water as they decompose. Too many nutrients can upset the lake's balance and reduce enjoyment for fishing, boating and shoreline views.

LAKE-FRIENDLY LEAF TIPS

- ☐  Blow or rake leaves away from the street, storm drains and shoreline.
- ☐  Bag leaves or compost them instead of pushing them into wooded common ground.
- ☐  Keep grass clippings out of ditches and drainage areas.
- ☐  Use mulch sparingly near the water and keep yard debris contained.
- ☐  Encourage children and helpers to treat the lake like the community treasure it is.

GOOD NEIGHBOR HABITS

A cleaner shoreline starts with small actions at home. If you notice debris near the water, pick up what you can safely remove and remind family members, guests and lawn crews to keep yard waste out of the lake.

REMEMBER: What stays out of the lake today helps keep Holiday Lake healthier tomorrow.

SOURCES: University of Illinois Extension and general lake stewardship guidance.

NOVEMBER FUN FOR KIDS

Games and activities for a cozy fall day.

3 NOVEMBER TRIVIA

See how much you know about November and fall!

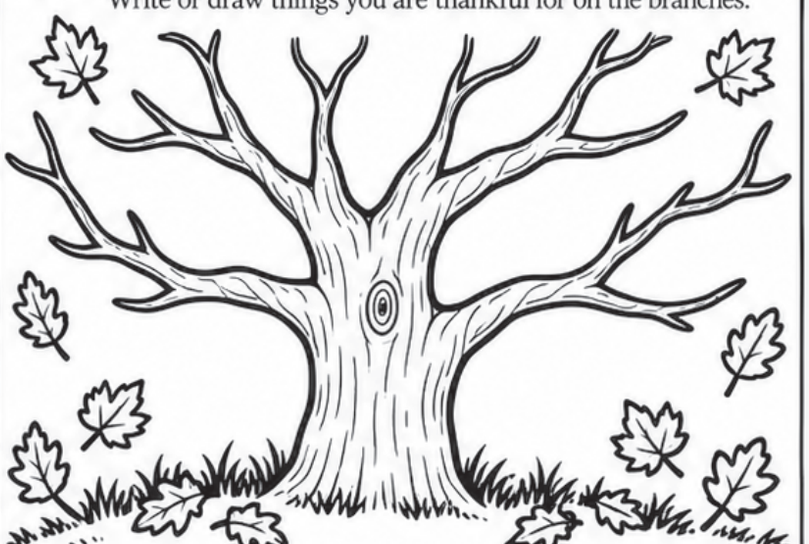

1. What holiday is celebrated on the fourth Thursday in November in the United States? _____
2. What do many animals, like squirrels, do in the fall to get ready for winter? _____
3. Why do leaves change color in the fall? _____
4. What do turkeys mostly eat in the wild? _____
5. Name one animal that often migrates (flies to a warmer place) before winter. _____

Answers: 1. Thanksgiving 2. They gather and store food. 3. Shorter days and cooler weather cause changes in the leaves. 4. Nuts, seeds, fruits and berries. 5. Examples: geese, ducks, or some types of birds (such as robins).

4 DRAW YOUR OWN THANKFUL TREE

Write or draw things you are thankful for on the branches.

HOLIDAY SHORES GARDEN CLUB NEWS

By Patti Brown

www.holidayshores.us/garden-club

The Holiday Shores Garden Club members gathered in September to plan for the year ahead. The program by Mary Blackburn and Celeste Rupsis included several methods of preparing your garden for winter. Celeste shared a brochure she made detailing various winter preparation options and implementation guidance. Members also shared cuttings from their gardens with each other for propagation.

Congratulations to the 2026 winner of the Plant Competition Pat Stanko

WANT TO LEARN MORE ABOUT GARDEN CLUB

The Garden Club is a social group that contributes to the beautification of the community. Members enjoy informative meetings and perform volunteer work to maintain the public gardens. If you are interested in finding out more, please call or text - Linda at 618-980-4133 or see our Facebook - Holiday Shores Garden Club. Our next meeting will be October 19th at the Clubhouse ballroom. The meeting will be a potluck and game night and is sure to be fun. This would be a great meeting to attend if you would like to learn more about the garden club as it will be a fun, social evening to meet members and ask questions. Contact Linda at the above number if you would like more information about the club or to attend the meeting.

WINTERIZING *Your Boat*

PROTECT YOUR INVESTMENT BEFORE THE FREEZE

As summer winds down and the days get shorter, it's time for Illinois boat owners to start thinking about winter storage. Properly winterizing your boat can prevent expensive freeze damage, corrosion and other problems—and help ensure you're ready to enjoy the water again when spring arrives.

Illinois winters can bring prolonged periods of freezing temperatures, so simply covering your boat and putting it away isn't enough. Your engine, fuel system, plumbing, batteries and interior all deserve attention before the boat goes into storage.

1. START WITH THE ENGINE

The engine is one of the most important parts of your boat to protect. Water left inside an engine or cooling system can freeze and cause serious damage.

For outboard, inboard and stern-drive engines, follow the manufacturer's winterization procedures carefully. Common maintenance includes changing the engine oil and filter (four-stroke engines), changing the lower-unit gear lubricant, lubricating required grease points, inspecting the propeller and checking the condition of the anodes.

Because procedures vary by engine, always follow the owner's manual or have the work done by a qualified marine technician.

2. DON'T FORGET THE FUEL

Fuel can deteriorate during months of storage. Before putting the boat away, add the manufacturer's recommended amount of marine fuel stabilizer and operate the engine long enough for treated fuel to circulate through the system.

Follow your engine and fuel-system manufacturer's recommendations regarding fuel level and storage. Different systems can have different requirements.

3. PROTECT THE FRESHWATER SYSTEMS

If your boat has sinks, showers, freshwater tanks, toilets, live wells, wash-down systems or other plumbing, make sure water is removed or properly protected before freezing temperatures arrive.

Use propylene-glycol marine/RV antifreeze where appropriate and follow the equipment manufacturer's instructions. Even a small amount of trapped water can freeze and damage pumps, hoses, fittings and other components.

4. TAKE CARE OF THE BILGE

Before covering the boat, inspect the bilge and remove standing water. Clean out oil, dirt and other contaminants and make sure the bilge is as dry as possible.

Never discharge contaminated bilge water, oil or antifreeze onto the ground or into the lake or stormwater system.

5. GIVE THE BATTERY SOME ATTENTION

Batteries can suffer during months of inactivity. Clean the terminals, inspect the battery and follow the battery manufacturer's recommendations for storage and charging.

Depending on your boat and battery type, the battery may be removed and stored in a suitable location or maintained aboard with an appropriate marine battery charger/maintainer.

6. CLEAN AND DRY THE INTERIOR

Before closing up your boat for the season, remove food, drinks, clothing and anything that could attract rodents or other unwanted visitors.

Clean the interior thoroughly and allow it to dry. Leave appropriate ventilation where possible, and consider moisture-absorbing products in enclosed areas to help prevent mold and mildew.

Don't forget to remove valuable electronics, fishing equipment, life jackets and other items you don't want exposed to cold, moisture and potential pests.

7. COVER IT PROPERLY

A quality winter cover is more than protection from snow. It should keep rain, snow and debris out while still allowing appropriate ventilation.

Make sure the cover is securely supported and that water and snow can drain away rather than collecting on top. Check the cover periodically throughout the winter, especially after heavy snow or strong winds.

If your boat is stored outside, inspect the cover periodically rather than assuming everything is fine until spring.

8. A LITTLE WORK NOW CAN SAVE A LOT LATER

Winterizing your boat may seem like one more chore at the end of boating season, but proper preparation can save significant time and money in the spring. A cracked engine component, damaged water system or neglected fuel system can turn the first warm weekend of the year into an expensive repair project.

If you're unsure how to winterize your particular boat, check the owner's manual or have a qualified marine professional perform the winterization.

DO IT RIGHT BEFORE THE FIRST HARD FREEZE.

When spring finally arrives, you'll be much closer to doing what you really want to do—putting the boat in the water and enjoying another Illinois boating season.

See You on the Water!
