HOLIDAY SHORES Garden CLUB NEWS

By Patti Brown

www.holidayshores.us/garden-club

WHAT DOES HOLIDAY SHORES GARDEN CLUB DO?

The garden club members not only learn and share gardening hints and tips, but also work to beautify the community. The annual plant sale and raffle in May raises funds for projects throughout Holiday Shores. Maintaining and improving the gate gardens requires many volunteer service hours and funding provided by the club.

With several past successful plant sales and raffles, the club will be making a major contribution toward replacing the sign at Holiday Dam Road and Prairietown Road that was damaged and removed several years ago. It will match the one donated by the club at St. James Road several years ago. The plant sale this year will be on May 1st in conjunction with the Fire Department Fish Fry. There won't be a geranium pre-order this year, but geraniums will be available sale day. Your support of the plant sale is greatly appreciated and helps the club to continue contributing to the beautification of Holiday Shores.

Manager's Report by Angie Webster

The second installment of dues and assessments were due March 1st. Members who are experiencing difficulties please reach out to the office to make arrangements, we are here to help keep you in good standing. If you paid your dues and assessments in full by February 14 you will be included in the yearly assessment drawing where you can win back your assessments of \$760.

Our Annual Audit was February 18th thru February 20th. For those of you who don't know, each year the office records go through a complete audit. This includes reviewing accounts payable & receivables, payroll, reserve studies, inventory of equipment and bank accounts. This ensures that we are using sound accounting principles. A financial report will be given to the board for review once audit is complete.

In Illinois, anyone born on or after January 1, 1998, needs a boaters safety certificate to pilot a motorized watercraft. The Safety Committee is hosting a Boaters Safety Class on April 11 from 9 a.m. to 5 p.m. at the Firehouse. Prior registration is required, see the Holiday Times or our website for QR code to scan. There is also a direct link on our website to IDNR where you can take the test online. Children under the age of 16 are also required to take the Association's Watercraft Test (after they have passed the Illinois state test). Tests are available in the office and on our website.

As always, this time of year keep the forecast in mind when parking on the roads. If there is a snow event, greater than 2 inches, or icing conditions, the maintenance dept. will be working diligently to clear our roads. Vehicles parked alongside the roadways make their task much more difficult.

Holiday Shores Fishing Committee 2026 raffle tickets are available in the office, or from any member of the Association Fishing Committee or the Tiki Bar Bass Club. QR codes can also be scanned from your Holiday Times. Tickets are \$20 each and only 500 will be sold. There are some great prizes to include \$1000 Bass Pro Gift card, a 4-person goose hunt, cash prizes and gift cards for local businesses. Proceeds will go to fish stocking.

Social Committee is asking for donations for the Annual Easter Egg. Bags of candy may be dropped off in the Holishor office. The Easter Egg Hunt is March 28th. Volunteers to help with the event are always welcome.

There will be 3 seats on the Board of Directors to be voted on at the annual meeting in May. Applications to run are available in the office or on our website. Applications must be received in the office by close of business April 5th, 2026

**The Holishor Association
Board of Director's meetings are held the
2nd & 4th Wednesdays January-October &
the 2nd Wednesday only in November &
December at 7:30 pm in clubhouse ballroom.**

*All Holishor members are welcome to attend.
If you cannot attend you may submit a written
correspondence to go to the Board. It must be received in
the Holishor office by noon Friday prior to the Board
meeting. This allows the Board time to research the issue
before the meeting.*

the 1st & 3rd Tuesdays April-November at
6:30pm in the Library in the lower level

Save Time, Tackle Dinner with Quick, Convenient Recipes

FAMILY FEATURES

If hectic weeknights leave you feeling like time is constantly slipping away, saving a few extra minutes in the kitchen can begin with alternative cooking methods and easy recipes without all the fuss. Rather than waiting for the oven to preheat, you can tackle family dinners by stir-frying and air-frying your way to delicious meals.

For a fast and flavorful dinner, this Simple Chicken Stir-Fry is packed with tender chicken, crisp veggies and savory soy sauce to hit the spot without calling for takeout. It delivers on both taste and ease with the addition of Minute Sticky Rice Cups. Ready in 1 minute, they provide a perfect sticky texture to complement bold flavors. In just 15 minutes, you'll plate a delicious recipe that's sure to become a weeknight staple.

Endless customization is another benefit of stir-frying, allowing you to swap out chicken for shrimp or tofu while mixing and matching your loved ones' favorite veggies. Drizzle it with sauces like teriyaki or sriracha for an added flavor boost, serve with spring rolls or wontons for extra crunch or pair with a fresh cucumber salad or steamed edamame for light, refreshing contrast.

Delivering the same set-it-and-forget-it convenience of baking but typically with a shorter preheating wait, air-frying is another solution for creating tasty family meals while taking back precious time. Loaded with rice, vegetables and melted cheese, these Air Fryer Veggie Rice Bites make for an easy, cheesy snack or light meatless meal.

With just a few simple ingredients and minimal prep, they're ready in less than 10 minutes with Minute Butter & Sea Salt Jasmine Rice Cups serving as a rich and savory base that complements the mixed veggies and ooey-gooey cheddar. Don't forget, you can take them to the next level with flavorful dipping sauces like:

- Ranch dressing: A classic choice that adds a creamy, herby flavor.
- Barbecue sauce: Adds a sweet and smoky touch.
- Sriracha mayo: This spicy, tangy dip is a great match for those who like a bit of heat.
- Honey mustard: A sweet and tangy combination that's complementary to the mix of flavors.
- Garlic aioli: Rich and garlicky to enhance overall taste.

To find more fast, family-friendly meal ideas, visit MinuteRice.com.

Holishor Association Fishing Committee

Holiday Shores Members,

The month of March is here and as we start to thaw out from the cold weather and the snow, we are getting the itch to get on the water and start fishing! Remember to check your fishing license and make sure to get your 2026 license for the year. Also remember if you have a Holiday Shores associate member card to go to the office and get it renewed for 2026 so you would be legal with Holiday Shores. Also remember to have your boat stickers on your boat by May 1st so you don't receive a fine. The fishing committee has a raffle to help fund our stocking for the lake and we currently have tickets for sale! If you need tickets or have any questions about the raffle or purchasing tickets please contact Jason Lowry, Matt Ressler, Brain Wood, Carl Dixon, John Cline, or the association office and we will be glad to help. The office currently has tickets, or you can purchase tickets using the venmo app. This is a reminder about making sure to check all your gear and boat so when the lake thaws, you'll be ready to start fishing. The lake is not at full pool yet and is still filling from the draw down last year so remember the lake will be no wake until we get to full pool. Also a reminder as spring approaches and you start to clean up your yard not to put the leaves and waste into the lake, please dispose of properly to maintain a healthy ecosystem for our lake. We would like to thank all the local businesses that helped donate for our raffle and remember to shop local and help promote our local businesses.

Thank you, Holiday Shores Fishing Committee

Beat the Winter Blues with a Childhood Classic

(Feature Impact) If a cold snap has you feeling blue, turn back the clock and warm up the kitchen with a kid-friendly favorite the whole family can enjoy. Mac and cheese is a staple in households across the country, and this version with made-from-scratch sauce will leave your loved ones asking for more.

To make it a full-blown meal, pair Simple Skillet Mac and Cheese with grilled or pan-seared chicken to forget about the weather with time together. Visit Culinary.net to find more comfort food classics.

Simple Skillet Mac and Cheese

Recipe adapted from Mel's Kitchen Cafe

Total time: 30 minutes

Servings: 6

- 3 1/2 cups water, plus extra if needed
- 1 can (12 ounces) evaporated milk, divided
- 12 ounces pasta shells
- salt, to taste
- 1 teaspoon cornstarch
- 1/2 teaspoon dry mustard
- 1 1/2 cups shredded cheddar cheese

WANTED

MEMBERS TO RUN FOR THE BOARD OF DIRECTORS

In the spirit of a *community team*, you are being asked to step up and run for a seat on the Board of Directors. Do you have an interest in being a part of the team that makes decisions affecting the manner all families live within our community?

This is a commitment not to be taken lightly, however, enhancing the chosen life-style of our members and taking the community forward will be rewarding.

Board of Director's meetings are held on the second and fourth Wednesday of each month except for November and December where they only meet the second Wednesday of each month. The BOD meetings average around two hours. Each of these meetings may be followed by an executive session averaging 1-2

hours to discuss personnel, legal or real estate. The Annual Meeting of membership is held the third Saturday in May and averages 3-4 hours. Additionally, based on your expertise or desire, you may want to augment one of our many committees. Terms of Board of Directors are three years. This year, there are openings for 3 three-year terms.

If you never attended a Board meeting, now would be a great time to do so. Have you been a part of any of the many teams of volunteers for activities here at The Shores? If so, you then have some idea of how the community functions.

Your association members will expect you to be fair and listen to all sides of whatever decision making issues are being addressed. You will be expected to make decisions that will be the best for the entire community. If you are not sure just what a Board member does, please contact one of our current Board members and they will be glad to share with you just what it is that they do for the community. Their contact information can be found on page 2 of the Holiday Times or email hsboard@gomadison.com.

Applications are available in the office or downloaded @ www.holidayshores.us

Members Present: 4

Non-members in Attendance: 0

Board Members Excused: Ben Kelley

Pledge of Allegiance recited.

Tony Harris *motioned* to approve the December 10, 2025, meeting minutes with noted changes, **Trish Yates** seconded, all in favor, motion passed.

Transfers of Property

There were 5 transfers of property, 4 of which had initiation fees. Membership is 1274.

Bills & Salaries

Tony Harris *motioned* to approve the bills & salaries, **Trish Yates** seconded, all in favor, motion passed.

Treasurer's Report

Profit & Loss Summary: Tony confirmed that this is end-of-year and noted some outstanding line items. This will drop the carryover to \$166k.

Treasurer's report: Tony noted that reserves will decrease by \$100k after a reserve payment is deducted. The one CD that matured in November has been rolled over and will mature in May of 2026. Potential reserve expenditures for 2026: Main Beach Dock Repairs: \$25k; Parking Lot Resurface: \$42k; Main Beach Seawall: \$12k. **Tony Harris** *motioned* to approve potential reserve spending, **Jim McCann** seconded, all in favor, motion passed.

Manager's Report & Code Enforcement Report

Angie Webster read the manager's report (which can be found published in full in the Holiday Times).

John Crotty summarized the code enforcement report and noted 20 citations written for issues with building violations, property maintenance, signs, and boat decals.

Old Business

Creel Limit Proposed Change Vote – In the December meeting, there was a motion to extend the no crappie limit until 2027. The proposed rule change was posted for 4 weeks and is ready for a final vote. All in favor, motion passed with an effective date of March 15, 2026.

Boating Safety Video – The Safety Committee has submitted an online version of IL boating rules and Holishor rules. This will be used in the Boat Safety training class and posted to the website as a reference. There is a disclaimer on the first page that it does not replace current law. There were no concerns expressed about posting on the website.

Restaurant Committee Update – Confirmation of a tenant operating two existing Mexican restaurants, El Mezcal in Godfrey and Michoacan in Wood River. The new restaurant will be named *Casa Lago (Lake House)*. The lease has been signed, the special use liquor license process has begun, and the target opening is April. Thank you to the committee for their hard work on this effort.

New Business

HBAR Variance (982) – A member is requesting a variance to install a kayak launch on the southwest (SW) side of their dock. The requested variance is due to the five-foot setback requirement, as the proposed launcher would extend approximately 20 inches from the property line. The member provided a written statement from the adjoining neighbor at 981, indicating no objection to the proposed placement. The member noted that while placement on the northeast (NE) side of the dock would comply with setback requirements, they believe wave conditions on that side make it unsuitable. **Jim McCann:** The Building Committee is not in favor given the setback encroachment. **Avi Goldfarb (982):** Questioned neighbor's concrete dock that is up to his property line. **Angie Webster:** Indicated that the member dug back into their property for the dock and included a concrete

walkway, which is allowed. **Avi Goldfarb (982):** Indicated that he will remove the kayak lift if he moves or his neighbor at 982 moves. **John Crotty:** Asked if the dock could be reduced to include the kayak launch? **Avi Goldfarb (982):** Indicated that his neighbor plans to use the launch as well. **Jim McCann:** Reiterated the purpose of the rule and avoid setting a precedent to approve variances. *Variance failed due to lack of motion.*

Correspondence

Ski Club – The Ski Club is requesting a waiver of the ballroom rental fee for an upcoming fundraiser. The Club has indicated they will cover the required cleaning fee. The event date is to be determined and will be coordinated with the Association office. **Tony Harris** *motioned* to approve waiving the ballroom rental fee for the Ski Club event, **Jim McCann** seconded, all in favor, motion passed.

1019 Dues Variance – A member is requesting a partial refund of their 2026 assessment due to a delayed closing. The member's closing was originally scheduled for January 2 but did not occur until January 6. As per our bylaws, the amount is due on January 1, the member was assessed the full 2026 annual assessment and is requesting a refund of three-quarters of the assessment in the amount of \$607.50. **Tony Harris:** We do not refund any dues or assessments no matter what time of year. *Variance failed due to lack of motion.*

Social Committee – The Social Committee is requesting approval to purchase and place an 8 x 12 storage shed on the ballfield, located on the first base side behind the fence. The shed would be used to store field-related items and other outdoor equipment utilized by the committee. The Social Committee indicated they will purchase the shed at their own expense. **Jim McCann:** Noted that there must be a permit and building committee approval. **Tony Harris** *motioned* to approve shed placement and waiving the permit fee provided that the building committee approves, **Jim McCann** seconded, all in favor, motion passed.

Action Summary

New Action: Angie to contact the IDNR Dam Inspector and confirm the Morning Glory state and if we can put a collar on it. Angie to obtain a bid to complete the silt removal on the basin and combine this with the bid to address the North Property Ponds.

Prior Actions: Correction of Full Pool sign at the Marina and an indicator on the Morning Glory. The Morning Glory marker is complete. The Morning Glory and the sign at the marina will be installed when the lake comes up to 505. **Jim McCann:** noted that the line should be at 502.5 this is due to the Morning Glory sinking per the IDNR dam inspector. IDNR refused to allow us to put a collar on the Morning Glory to bring it back to 505. **Ty Van Ryswyk:** Questioned if we could have dropped the lake further. **Angie Webster:** Agreed that it could have been but there may have been an issue with the Sanitary District pipes. **Jim McCann:** Noted that Glen put in 3 weight points and that these should be used for accurate measurement. **Rob Frey:** Indicated that he was aware of 5 weight points.

Trash cans for the Dam Rd have been ordered.

Open Forum

The following items were discussed:

Dave Decker (1184): Acknowledged success in securing the restaurant. Asked for confirmation on completion of the sediment removal. **Ty Van Ryswyk:** Indicated that for the silt pit and basin scope of work, the intent was to remove as much silt as they could from the north side to build up the area and to avoid putting equipment on the road to avoid further damage. This also drove the cost down for this scope. **Dave Decker (1184):** Indicated that removal of silt from the Gabion basket is a way to catch silt before it enters the lake and recommended that we make this a priority. **Ty Van Ryswyk:** Indicated that unless we can lower the lake further, sediment removal from the north area will be limited.

Dave Decker (1184): Noted that the retention pond on the north property has a significant mound and should be cleaned out. **Jim McCann:** Questioned if we could extend the Gabion basket across and close it out. **Dave Decker (1184):** Confirmed that there are no member lots in this area and that we should consider closing this off. However, most silt entry is from high water events. Advised that we set up standard schedules to clean out the ponds, creeks, and Gabion basket. Data and measurements should be documented and easily accessible.

Savory, Satisfying Ideas for Lunch and Dinner

FAMILY FEATURES

When cold and flu season calls for savory and satisfying meals, remember you don't have to be sick to enjoy the best this time of year has to offer. Skip the same old soups and stews, though, and level up your comfort food cache with the flavor and versatility of pearl couscous.

Distinguished from traditional Moroccan couscous by its slightly larger and rounder shape, plus its less dense, firmer consistency, pearl couscous is thoroughly versatile and a perfect fit for cold weather classics. With Success Boil-in-Bag Pearl Couscous, you get high-quality semolina wheat pearl couscous made just right. After the water boils, it's ready in under 7 minutes and prepared similarly to pasta.

It features a slightly nutty flavor on its own but can absorb any flavors of soups and salads while retaining its density and chewy texture. You can use it in your family's meals to complement a range of greens, veggies, fish, meats and stews, making it a pantry staple to keep on hand throughout the year.

A hearty solution, this Italian Penicillin Soup is ideal for those feeling under the weather or simply craving a filling meal after a chilly day. It's loaded with rotisserie chicken, tender veggies and pearl couscous simmered in broth then finished with fresh lemon, Parmesan cheese and parsley for a meal that's as satisfying as it is appetizing.

Elegant in its simplicity, this Simple Lemon Butter Pearl Couscous is a perfect partner for grilled seafood, chicken or vegetables. Easy to serve as a standalone dish or a savvy side that practically cooks itself, you can add this highly versatile grain to your family's menu any day of the week – whether you're cooking for a crew or just two – and enjoy steamy leftovers for a light lunch.

Don't let the cold sap your creativity in the kitchen; turning to versatile, flavorful ingredients can make winter meals a cinch. Discover more pearl couscous-inspired dinner ideas by visiting SuccessRice.com.

HOLIDAY SHORES FIRE DEPARTMENT

Firefighter's Footnote -

Daylight Saving Time starts Sunday, March 8. Don't forget to move your clocks forward one hour and to change the batteries in your smoke alarms and CO detectors. Spring starts March 20! It will start to get warmer and stay lighter out longer, but until then, layer your clothes, wear reflective gear if you're outside after dark, and watch out for kids at the bus stops. Last month we reviewed our Driver's Safety and Advanced Medical Intervention. Coming up we will go over our department CPR/AED training and our SCBA skills (Self-Contained Breathing Apparatus). We responded to 12 calls the previous month: 6 EMS; 2 each for Brush Fire and Invalid Assist; and 1 each for Water/Steam Leak and Chimney/Flue Fire. We gave Mutual Aid twice to Meadowbrook FD and once to Prairietown FD. You can drop by any Monday evening between 7 and 9pm to see us, follow us on Facebook, or catch up with us on our website at www.hsfed.org. Medic Minute - Madison County Transit

According to Wikipedia, Madison County Transit (MCT) operates 17 local bus routes (within Madison County), and six regional bus routes (service to Emerson Park Transit Center in East St Louis, or downtown St Louis). Since 2008, MCT provides a Summer Youth Pass where kids ages 18 or younger can ride for free between Memorial Day and Labor Day. Also that same year, the Public Act began, allowing all elderly/disabled

people to ride the bus services for free. All buses come equipped with security cameras, a lift or ramp with priority seating, and can lower or "kneel" closer to the ground during boarding. They also have bike racks which is part of MCT's "bike and bus" program. An estimated 1,700 cyclists utilize this service each month. Fixed route bus service is operated by the Agency for Community Transit Inc. (ACT)

A paratransit service called Runabout provides service for elderly and disabled residents. To use the Runabout service, you must register with ACT and have a verified disability, or be 65 years or older. Seniors with a disability may qualify as ADA Eligible and are encouraged to re-register as such. The cost for in-district trips are \$2 for registered ADA and \$6 for the elderly. A transfer trip to St Clair or St Louis costs \$6 for the registered ADA. A non-transfer medical trip costs \$10 for either. Aides or attendants who assist the ADA eligible passengers do not pay a fare, and must board at the same location with the passenger. You must inform them at booking time. One companion or child may travel with a passenger at full fare, with additional people may ride on a space-available basis. Inform ACT at booking time of other companions. Children 40lbs and under must ride in an approved infant car seat supplied by the passenger, or request one in advance from ACT. When you arrange for a ride, there is usually an estimated time of pickup both to and from your destination. Be prepared to possibly wait a while for your ride. You can contact Runabout by calling 628-931-7433. MCT estimates annual ridership at 36,000 with an average of 1,800 and 3,700 riders monthly.

Since 2024, MCT has a microtransit service operating in within Collinsville. Riders schedule a \$1 ride via a smartphone app called MCT Micro; those without the

app can call MCT to schedule a ride. Both Runabout and MCT Micro are operated by ACT.

MCT Trails has been in use since the early 1990s to preserve former rail lines to future transit use and interim trail use, with about \$45 million spend so far. The system consists of 138 miles of pathways across 12 trails, with 22 tunnels, 49 bridges and 1,585 acres of green space across the network.

Cash only must be used to buy MCT Local Fare for \$1, Regional Fare \$3, 2 hour Regional Pass \$3, Day Pass \$5. MCT sells \$1 bus tokens in rolls of 25 which are valid on all MCT buses, and can be used towards the cash fare of a trip or the purchase of an on-board pass. To learn more about MCT and its schedules, routes, pricing, trails or other information, call 618-797-4636 or look up Madison County Transit on its website at <https://mct.org>.

Holiday Shores Snow & Ice Removal

Snow plowing and ice control begins when there is two inches of snow and more is expected or when ice begins to make the roads hazardous. Ice control material is applied to location on an "as needed" basis. It takes 4-5 hours to plow the entire community with only two inches of snow.

Please drive with caution anytime winter precipitation are on the roads.

DO NOT CALL THE OFFICE TO SEE IF THE SNOW PLOWS ARE OUT OR TO REPORT SNOW - Heavy traffic hills and main roads are plowed first.

What caution should I be aware of?

Do not park on the road during the snow removal process. Do not push snow on to the roadway, this creates a very hazardous condition.

What about driveways?

Maintenance personnel are not authorized to plow driveways & plows will not be lifted at the entrance to each individual driveway. Clearance of driveway entrances is the responsibility of the resident. Plows may make several passes in order to widen the roads.

What about mailboxes?

The truck will get as close to the mailboxes as possible. It is the homeowner's responsibility to keep the area in front of the mailbox cleared. Keep mailboxes closed at all times.

What about trashcans on pick up days?

Trashcans & recycle containers must be 4' off the road. The snowplow drivers will not get out to move your containers and will not be responsible for damage.

USE CAUTION!!

**When maintenance is out on the roads, stay a safe distance behind the trucks.
If you cannot see the mirrors on the trucks, they will not be able to see you.**

Live...

This month Christians celebrate the GOD/MAN, the Lord Jesus Christ, who was crucified on a Roman cross. Why would Christians celebrate this cruel and painful death? There is an Old Testament story that illustrates the answer to this question. It takes place when the nation of Israel was on the move from Egypt, the land of slavery, through the desert to the promised land of Canaan. Israel had sinned (again) and God sent venomous snakes to among them to bring them to repentance. The Bible tells us (Numbers 21) that many Israelites died. ⁷*The people came to Moses and said, "We sinned when we spoke against the Lord and against you. Pray that the Lord will take the snakes away from us." So Moses prayed for the people.* ⁸*The Lord said to Moses, "Make a snake and put it up on a pole; anyone who is bitten can look at it and live."* ⁹*So Moses made a bronze snake and put it up on a pole. Then when anyone was bitten by a snake and looked at the bronze snake, he lived.* When they repented of their sin, God provided the means of their healing. Their look, by faith, at the serpent on the pole, indicated their willingness to trust God for healing. They looked and they lived.

Human sin, my sin, made Jesus' cross necessary. Sin, like the snake, bit me and I began to die. I couldn't heal myself. Only God could help me and help me He did. God put Jesus on the cross and explained it this way in John 3:14-15. ¹⁴*Just as Moses lifted up the snake in the desert, so the Son of Man must be lifted up,* ¹⁵*that everyone who believes in him may have eternal life.* My friend, if you will put your trust in the Lord Jesus, you will live. Please do so today.
