

Boating Rules

3 Proposed Rule Changes

1. Current Rule

Boating Hours

Boating shall be allowed on Holiday and Su Twan Lakes twenty-four (24) hours a day. Between sunset and sunrise watercraft shall operate at “No Wake” speeds only.

Proposed Rule

Boating Hours

Boating shall be allowed on Holiday and Su Twan Lakes twenty-four (24) hours a day. Between sunset and sunrise watercraft shall operate at “No Wake” speeds only with required navigation lights displayed (625 ILCS 45/4-2 and 45/4-8).

2. Current Rule

Swimming Restrictions

Unless accompanied by a watercraft, swimmers and persons using floating devices shall be limited to:

- Restricted Areas (See Figure 2- Restricted Areas)
- A distance not to exceed seventy-five feet from all shorelines unless otherwise posted with a buoy.

Proposed Rule

Swimming Restrictions

Swimmers and persons using floating devices (except muscular powered watercraft) shall be limited to:

- Restricted Areas (See Figure 2- Restricted Areas)
- A distance not to exceed seventy-five feet from all shorelines unless otherwise posted with a buoy.
- On the 4th of July during the fireworks show when accompanied by a watercraft.

3. Current Rule

Restricted Areas

No person shall operate any watercraft in a restricted area which has been designated a “No Wake” area, swimming area, or an otherwise restricted area except in the prescribed manner.

(See Figure 2 – Restricted Areas).

- Marina Cove- No Wake Area
- Fishing Arm – No Wake Area
- Clubhouse Beach – Swimming Area
- North End – No Wake Area – Shallow Area
- Admiral Bay – No Wake Area
- Wanda Cove – No Wake Area
- Tamarach Beach – No Wake Area – Swimming Area
- Cedar Cove – No Wake – Swimming Area
- Tunnel Cove – No Wake Area
- Jib Cove – No Wake Area
- South Anchor Cove – No Wake Area

- A distance of seventy-five (75) feet from the shoreline shall be considered a “No Wake” area unless otherwise posted with buoys.
- No Wake Water Levels for entire lake:
 - When the lake level reaches 9” over full pool the lake shall be made “no wake”. There are identifying lake level markers at various locations on the lake which identify these levels. The “no wake” light atop the clubhouse shall also be used to indicate a “no wake” status. (Ref: Board of Directors Meeting 7/28/93)
 - When the lake level reaches 16” below full the lake shall be made “no wake”. There are identifying lake level markers at various locations on the lake which identify these levels. The “no wake” light atop the clubhouse shall also be used to indicate a “no wake” status. (Ref: Board of Directors Meeting 12/13/00)

Fig. 2 Black Areas – No Wake

A wake is defined as the movement of water created by a boat underway great enough to disturb a boat at rest, but under no circumstances shall a boat underway exceed five (5) miles per hour while in a NO WAKE area. (625 ILCS 45/5-12)

Proposed Rule

Restricted Areas

No person shall operate any watercraft in a restricted area which has been designated a “No Wake” area, swimming area, or an otherwise restricted area except in the prescribed manner.

(See Figure 2 – Restricted Areas).

- North End – No Wake Area – Shallow Area
- San Juan Harbor – No Wake Area
- Clubhouse Beach – Swimming Area
- Fishing Arm (All coves in the Fishing Arm) - No Wake Area
- Marina Cove (All coves in Marina Cove) - No Wake Area
- Cedar Beach Cove – No Wake – Swimming Area
- North & South Ends of Anchor Cove – No Wake Area
- Hidden Cove – No Wake Area
- Tamarach Beach – No Wake Area – Swimming Area
- Wanda Cove – No Wake Area
- Jib Cove – No Wake Area
- Tunnel Cove – No Wake Area
- Admiral Bay Cove – No Wake Area
- Brigantine Cove – No Wake Area
- Captain’s Cove – No Wake Area
- A distance of seventy-five (75) feet from the shoreline shall be considered a “No Wake” area unless otherwise posted with buoys.
- No Wake Water Levels for entire lake:

- When the lake level reaches 9” over full pool the lake shall be made “no wake”. There are identifying lake level markers at various locations on the lake which identify these levels. The “no wake” light atop the clubhouse shall also be used to indicate a “no wake” status. (Ref: Board of Directors Meeting 7/28/93)
- When the lake level reaches 16” below full the lake shall be made “no wake”. There are identifying lake level markers at various locations on the lake which identify these levels. The “no wake” light atop the clubhouse shall also be used to indicate a “no wake” status. (Ref: Board of Directors Meeting 12/13/00)
