Holiday Shores Waste Disposal Services

Republic Services is contracted to provide waste disposal services. Please contact them at (618) 656-6883 to establish service. Republic Services provides **weekly** collection of regular household trash and provides an **every-other-week** collection of recycle materials. Republic Services provides a cart for trash and a cart for recycle materials; therefore, personal containers are prohibited for trash and recycle. Trash and recycle material must be contained inside the carts. Reminder, trash and recycle materials cannot be mixed together. **Please have carts to the curb on service day by 6 a.m.**

Republic Services also provides weekly yard collection during the months of April through December.

A maximum of 8, 32-gallon personal containers or 8 biodegradable bags are allowed with this weekly service. Add acceptable containers for yard waste are: 32-gallon personal containers marked with a red "x" or 8 biodegradable yard waste bags (paper not plastic).

Residents can call Republic Service to request one (1), free 95-gallon Republic Services yard waste container with a dark blue or brown lid. There will be a lease fee for addl Republic Service Yard waste containers. The limit is 4, Republic Yard waste containers per residence. 1, 95-gallon Republic container equals 3, 32-gallon personal trash containers. Max Weight for containers or bags is 50 lbs. Availability of Republic Service containers could be limited during the time of year requested.

Republic Services recognizes six holidays; New Year's Day, Memorial Day, Independence Day, Labor Day, Thanksgiving Day and Christmas Day. PLEASE NOTE: There will be no pick-up on these holidays. Should your pick-up day fall on or after the holiday, your trash, recycle and yard waste will be collected one day late.

Republic Services will provide a spring clean-up of large items and appliances for residents on the next scheduled trash pickup after the June annual yard sale. Large items include furniture, mattress sets and large carpets (cut into manageable bundles no longer than 4ft. and weighing no more than 50lbs each.) Glass portions of doors, windows, etc. should be broken and placed into a small box marked "glass." Electronic waste (including televisions) as well as concrete, shingles, construction debris/home remodeling construction debris of any kind, tires, yard waste (including tree stumps) and railroad ties are prohibited. Loose materials or materials in cardboard boxes will not be serviced, as all items must be bagged and contained. All items must be set curbside by 6am.

To schedule a large item pick up outside of the spring clean up date, please contact Republic Services.

PROPER CONTAINER PLACEMENT

- Have the container **at the curb** by 6:00 a.m. of your collection day. Carts placed in alleys will not be serviced.
- Place the container at least five feet from any object; like a tree, pole, fire hydrant, mailbox, electrical box, cable box, etc. and at least five feet away from cars so the automated arm can reach your container.
- Please have the same distance of five feet between waste and recycle containers.
- Don't lean anything against the container.
- Don't place your container under a tree or near utility lines.
- Place containers one foot from the curb or edge of the street.
- Remember to place the arrows on the lid of the container toward the street and the handle toward your house, with the lid closed.

For safety reasons, please do not allow children to play in or around the containers. Republic Services trucks use mechanical arms to pick up the waste and recycle containers.
